

REMARKABLE WOMEN OF INDIANA

MARCH 7, 2015

11 a.m. - 4 p.m.

Included with museum admission

Join the Indiana State Museum & Historic Sites to learn about the incredible history of some of Indiana's most important women. From pioneers to suffragettes, this statewide program spotlights the women in our past who broke gender barriers and led the fight for equal rights. Engage one-on-one with historical characters, learn how curators collect and preserve the significance of their stories, and join us for a panel discussion about the women who helped shape the state of Indiana. Be inspired as we celebrate Women's History Month.
