# Environmental Stewardship Program

Annual Meeting Round Table  
Facilitation and Discussion  
September 29, 2015

# Task 1.

- At your table, openly brainstorm and write down your responses to the following question on the flip chart paper:

**What have been your challenges in implementing ESP at your facility?**

- You will have 7 minutes to complete this task.

## Task 2.

- At your table, openly brainstorm and write down your responses to the following question on the flip chart paper:

**What improvements would you make to the ESP program?**

- You will have 7 minutes to complete this task.

## Task 3.

- Within your groups prioritize **one top Challenge** and **one top Improvement** and place an asterisk next to each.
- You will have 3 minutes to prioritize your top responses.

## Task 4.

- One person from each table will discuss the results of your top **Challenge** and **Improvement** with the room.
- Total time for all groups to brief results will be 25 minutes.
- Please be succinct!

# Questions and Wrap -Up

Thank you for your feedback!
