

Indiana Government Center

SMOKE-FREE POLICY

(Amended 08-15-2013)

It is the policy of the Indiana Department of Administration, as custodian of State buildings and grounds under Indiana Code 4-20.5-6-5, that all parts of the buildings and grounds of the Indiana Government Center Campus in Indianapolis be designated smoke-free effective January 1, 2006.

The Indiana Government Center Campus includes:

- The State-owned and maintained buildings and grounds bounded by Washington Street to the south, West Street to the west, Ohio Street to the north, and Capitol Avenue to the east.
- The State-owned and maintained Washington Street Parking Facility, the Senate Avenue Parking Facility, and their respective grounds.

All State employees and visitors to the Government Center campus are expected to comply with this policy, as with all other campus policies. Doing so will help the State maintain a clean, safe and healthy business environment and gathering place for the public. When necessary, this policy will be enforced as permitted by IC 7.1 -5-12, Prohibition on Smoking, and other applicable law.

The State Personnel Department offers smoking cessation classes at various times and encourages employees to take advantage of these programs or others like them.

Thank you for your cooperation and assistance.
