Invitation to Bid

PROJECT: Indianapolis, IN – CEG_Martindale_Brightwood_Water Mains
Engineer – TBD
Bids – December 6, 2024 @ 4:00PM EST

SUBCONTRACTOR BIDS DUE TO BOWEN NO LATER THAN November 29, 2024 @ 2:00PM EST

To Subcontractors (suppliers and contractors): Bowen is bidding as a prime contractor on the referenced project. We are inviting quotations from small, minority, women-owned businesses and veteran-owned businesses, collectively known as Disadvantaged Business Enterprises (DBEs) firms under Indiana EPA/SRF that might be interested in working on this project.

Any Subcontractors submitting a bid MUST affirm that their firm/bid fully complies with the bid documents, all Indiana Finance Authority SRF Loan Program funding requirements, including but not limited to Suspension and Debarment, disadvantaged business enterprise efforts, Davis Bacon, and Build America, Buy America (BABA).

The Lead Service Line Replacement (LSLR) Program is ongoing, and a portion of the program will be funded by State Revolving Fund (SRF). The Martindale-Brightwood Neighborhood (M-B) LSLR project to identify and replace lead services lines will be funded by SRF. In collaboration with Indianapolis Department of Public Works (DPW), the LSLR team is also focusing on areas of DPW planned road replacements to minimize roadway restoration costs and minimize repeated disruption to customers.

While service lines are being replaced and roads resurfaced in the Martindale-Brightwood neighborhood, Citizens Energy Group (Citizens) would like to take advantage of these synergies and replace aging water mains that suffer from frequent breaks in these areas. This project is to replace water mains in the M-B LSLR project area. This project does not include LSLRs.

Subcontracting and materials supply includes, but is not limited to: Site Planning, MOT, Signage, Grading and Drainage, Site Utilities, Aggregate, Trucking, Concrete, Pipe, Fittings, Valves, Restoration, Seeding, Asphalt.

Bid documents are available for viewing as follows:

- Via free download by sending a request to Matt Carlin: matthew.carlin@bowenengineering.com
- By appointment between the hours of 8am and 4pm Monday thru Friday at the office of Bowen Engineering Corporation, 8802 North Meridian Street, Indianapolis, IN 46260
- Any Bidder questions are due to Bowen by November 27, 2024 at 2:00pm EST.

We request that bid forms and DBE certifications from subcontractors to be sent to Matt Carlin by email (matthew.carlin@bowenengineering.com) on or before **Wednesday, November 27, 2024 at 2:00pm EST.**
