RE: Purdue University – Thomas A. Page Pavilion - 2016

To Whom It May Concern:

J.C. Ripberger Const. Corp. will be bidding as a prime contractor for the project listed below. We would like to invite MBE/WBE/VBE/DBE subcontractor/supplier firms interested to submit a bid proposal.

PROJECT: Purdue University – Thomas A. Page Pavilion - 2016
County: Tippecanoe

SCOPE OF PROJECT

A conventionally framed steel clad, steel framed structure 60'x140'x25'H. The building will be split into two sections. The first section (50'x60') will contain a student activity area and the remaining section (60'x90') will contain a storage area. The building will have minimum 1' overhang, enclosed soffits, gutters and downspouts, a concrete slab foundation with 3' tall ring wall and aprons. The design will include electrical service and distribution, domestic water supply, sanitary sewer connection to restroom, a mechanical room, slop sink, and hose bib. In the Storage Area, there will be no heating, standard insulation, interior wall panels 10' high, a 20' overhead garage door w/opener, a service door, and a high bay (cold weather ballast) and exterior lighting. In the Student Activity Area there will be a canopy at the main entrance. There will be only heat in the main area. There is no fire suppression system needed. There will be full height interior steel wall panels, insulated walls and ceilings, ceiling fans, Telecom-Fiber, two 12' Overhead garage doors w/openers (Thermal insulated), one service door and one entry door, trench floor drain with sediment trap, a hose bib, 220V power for welding, a welding booth, and electric power for light duty air compressor (compressor by Owner). In the Collaboration Room design will include white board paint on the walls, wiring for a flat screen TV, a window, heat and AC, and general electrical as needed.

MBE/WBE/VBE/DBE subcontractor/supplier firms interested in submitting a bid proposal to J.C. Ripberger please email us at info@jcripberger.com with your company name, contact person, fax #, phone#, division you're bidding and the email address you would like the bid invite to be sent. Quotes should be sent to the Project Manager at Fax: 317/873-3688 or Email: info@jcripberger.com no later than June 9, 2016 by 3:00PM.

If you have any questions, please contact our office at 317/873-3383 or email info@jcripberger.com.

Thank you,
J.C. Ripberger Construction Corp.
