## **INVITATION TO BID**

### **Spencer, IN-Phase 1 WW Improvements**

**ENG: Commonwealth Engineering**

**Bids Due Wednesday, February 17th, 2026 before 1:30 pm**

Thieneman Construction, Inc. has purchased plans and proposals to bid as a prime contractor for the project listed below. We are inviting quotes from MBE/WBE/VBE contractor/supplier firms that might be interested in working with us on this project.

**PROJECT LOCATION: Town of Spencer, IN**

**COUNTY: Owen**

### **Scope of Work:**

**The project includes improvements to the Town's existing wastewater treatment plant (WWTP) and collection system. The WWTP work includes but is not limited to conversion of the existing sludge digester to a new Sequential Batch Reactor (SBR) with new diffused aeration equipment, new SBR blowers with VFD's and dissolved oxygen (DO) control, backup SBR control system, structural improvements to the existing concrete tanks, conversion of the existing chlorine contact tank to a new UV disinfection tank, new effluent pump station with new force main and outfall structure. The collection system work includes but is not limited to replacing the existing Hart Avenue lift station with a new submersible lift station, wet well, valve pit, electrical, controls, cloud-based monitoring system, and replacement of the existing force main.**

Plans and Specifications are available for view at the office of Thieneman Construction, Inc. between the hours of 8am and 5pm Monday through Friday. Plans and Specifications are also available via free download by sending a request to: [estimating@t-c-i.net](mailto:estimating@t-c-i.net).

We would request that this form, any quotes AND minority certificates from Subcontractors and Suppliers to be delivered **no later than Wednesday, February 17th, 2026 before 1:30 pm**. You may send quotes via email: [estimating@t-c-i.net](mailto:estimating@t-c-i.net).

Please complete, sign and date and return by email: [estimating@t-c-i.net](mailto:estimating@t-c-i.net)
