INVITATION to BID
May 18, 2016

Project: Town of Morgantown, Indiana – Stormwater Improvements Project
Engineer: Wessler Engineering, Inc.
Bid Date: June 16, 2016 at 10:30 AM

Subcontractor Bids Due:
Bids are to be provided 24 HOURS ahead of the bid time.

Mitchell & Stark Const. Co., Inc. is a general contractor specializing in the construction of water and wastewater treatment plants, water distribution systems and wastewater collection facilities.

Scope:

The project includes the installation of approximately 2,700 feet of new storm sewers and culverts, varying in size from 12" to 30" in diameter, along with related end sections, inlets, and manholes, including all excavation, bedding, backfill, testing, pavement repair, curb and sidewalk replacement, erosion control, maintenance of traffic, site restoration, and other incidental work necessary for a complete installation.

Drawings and Specifications may be obtained from Wessler Engineering at www.wesslerengineering.com/planroom
