

Brooks Construction Co., Inc.

We anticipate bidding on INDOT Proposal RS-39025-A in the March 2, 2016 letting. An emailed request for quotations was sent on 2/5/2016 to over 200 contractors with little to no response.

We are requesting assistance in obtaining MW IVBE participation in the following categories:

Hauling, Concrete, Pavement Markings, Construction Signs.

Thank you for your assistance.
