Executive Summary

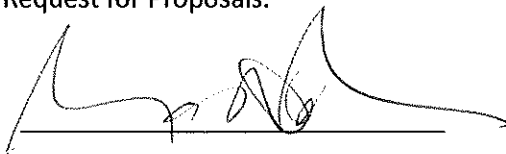

To: IDOA on behalf of FSSA, DMHA

Regarding: Request for Proposal 22-70307

Solicitation For: Mobile Crisis Services Pilot

2.2.1: Summary of Ability and Desire to Supply the Required Products or Services: Porter-Starke Services (PSS) is a Community Mental Health Center (CMHC) with offices in Porter, Starke and LaPorte Counties. As a CMHC, PSS provides comprehensive mental health and addictions treatment services to these counties including: 24/7 crisis response, psychiatry, Behavioral health counseling, intensive outpatient addictions treatment, opiate replacement treatment (Methadone clinics in both Porter and LaPorte counties), medication assisted treatment, case management, prevention and inpatient psychiatric care. PSS provides psychiatric and behavioral health services to the Juvenile Detention Facility in Porter County, the Porter and Starke County Jails and the hospitals in Porter and Starke Counties. PSS also operates multi-specialty primary health care clinics (Federally Qualified Health Centers) in Porter and Lake Counties. PSS is in a unique position to provide mobile crisis services to Porter and Strake Counties given the array of qualified professionals, the existing emergency response that is in place 24/7 and the working relationships and collaborations at the local level. PSS has the expertise and the desire to provide Mobile Crisis Services.

2.2.2: Signature of Authorized Representative: This Representative can certify that the information offered in the proposal meets all general conditions including the information requested in Section 2.3.4 of the Request for Proposals.
