Subject: Cancellation of RFP 26-85248 – Correctional Health Care

The State of Indiana has determined that it is in its best interest to cancel RFP 26-85248. At this time, the State intends to issue a Request for Information/Innovation (RFI) to seek additional stakeholder input on a new Request for Proposal/Partnership (RFP). The RFI is planned for publication on or about June 1, 2026.

Following consideration of any responses to the RFI, the State anticipates publishing a new RFP on or about July 1, 2026.

Please direct any questions regarding this decision to Angie Alexander at angalexander@idoa.in.gov. Kindly refrain from contacting the Department of Correction (DOC) regarding this matter.

We sincerely appreciate and value the considerable investment of time and resources that respondents have made in this process, and we look forward to your continued partnership in future initiatives.

Sincerely,

Angie Alexander
