

Cost Assumptions, Conditions and Constraints

LexisNexis Risk Solutions (LNRS) provides all-inclusive pricing. For example, we do not charge extra for 24x7 customer support, training, account management, etc.

Pricing shall remain firm and unchanged for at least the base term two years. The online locate and incarceration services are priced separately. For the locate services, Child Welfare (CW) will pay the same price per user, per month as Child Support Bureau (CSB). For the incarceration services, CW also will pay the same price per user, per month as CSB.

To comply with the RFP, the locate services include access to all standard Accurint search features plus the following additional premium features:

It includes access to all standard Accurint for Government Plus features and the following premium additions:

- Advanced Sexual Offender Search
- Contact Card
- Real-Time Phones
- Email/Virtual Identity Search

Batch processing services for CSB include best available names, addresses and Social Security numbers. As requested, we provide pricing in monthly tiers of: 1 to 100,000; 100,001 to 200,000; 200,001 to 300,000; 300,001 to 400,000; and 400,001 to 500,000. Pricing is provided at monthly and annual rates for each tier. Pursuant to RFP Section 2.5, we assume DCS will utilize the 100,001-200,000 price tier for the cost evaluation.

In arriving at the prices presented in the Cost Proposal, we considered the published list prices of each of the component products that fulfill the RFP's scope of work, including the standard solutions and premium add-on features needed to provide the total desired results. We further considered any and all volume discounts normally considered as well as prices extended to other government agencies of similar size and jurisdiction.
