

COST PROPOSAL NARRATIVE (Section 2.5)

The Respondent should provide a brief narrative (not longer than two pages) in support of each Cost Proposal item. The narrative should be focused on clarifying how the proposed prices correspond directly to the Respondent's Technical Proposal.

Drug Screen Testing PER TEST (16-28 per year)

Drug Screen Test are required as evident by section 1.4.7 (2.b.) and section 2.4.2.4. in the technical proposal

Copy of Case Management Record, if requested by participant.

As outlined in our proposal, if requested after discharge from the IPRP program, a nominal processing fee will be incurred to cover administrative costs. We hope to continue to provide support and advocacy for our participants long after discharge.

Participants may be required to obtain return to work assessment from their own health care provider

Please refer to technical proposal section for a detailed outline for the return-to-work assessment process.

Participants may be required to obtain additional psychological testing which would be outside of the scope of the ISNAP case managers/ clinicians.

Please refer to technical proposal section for a detailed outline for the return-to-work assessment process.

Participants may be required to submit to more comprehensive forensic drug testing prn

Please refer to technical proposal section for a detailed outline for the return-to-work assessment process and for drug testing policies.

Price for aftercare sessions will be variable per provider with an estimated cost of \$0- \$125 per month.

As a requirement, participants will be required to participate in an Aftercare Program also see technical proposal section on aftercare requirements.

If an advocacy letter is required after completion of the program, \$25 will be assessed per letter. This fee will be collected by Affinity. Payment must be received prior to the letter being sent out.

As outlined in our proposal, if requested after discharge from the IPRP program, a nominal processing fee will be incurred to cover administrative costs. We hope to continue to provide support and advocacy for our participants long after discharge.

(All assessments provided by the IPRP team are included in the cost of the program.
There will be no cost to the participant)
