Subject: Request for Proposal 25-79984  
Training Collaborative for Department of Child Service (DCS)

This is to inform you that DCS has decided to cancel RFP-25-79984 for Training Collaborative.

This RFP is being canceled and a new RFP will be released removing the requirement that you must be an Educational Institution as defined by 20 CFR 411.167, and ensure the State receives maximum Federal Financial Participation (FFP) in adherence with Title IV-E requirements.

We thank you for your interest in doing business with the State of Indiana and look forward to working with you on future projects, should they become available.
