Dear Mr. Cohen,

We are pleased to submit Prism Holistic Care Ltd.'s ("Prism") proposal for RFP 25-80910. Our team, composed of Prism and its Indiana-based partners, netlogx (WBE), Professional Management Enterprises (MBE), and Bravia Services (VBE), is excited to offer our expertise in grant management and project administration to support the State of Indiana's mission.

With over 20 years of experience managing large-scale government-funded programs, we are uniquely qualified to meet the requirements of this RFP. Prism's leadership is committed to transparency, accountability, and real-time tracking of all project deliverables, particularly the accurate and secure disbursement of funds. Our team employs advanced financial management systems that ensure compliance, timely check disbursements, and rigorous monitoring of all transactions, providing the state with real-time reporting and complete visibility throughout the process.

Prism has a proven track record in serving communities, particularly during the COVID-19 pandemic, where we managed large-scale vaccination programs and other critical healthcare initiatives. With a diverse and culturally competent team—75% of whom are BIPOC professionals—we pride ourselves on our strong community engagement and tailored solutions to meet the unique needs of the populations we serve.

### **About Prism:**

Founded in 1987, Prism is a leader in public contracting management. We have successfully executed complex initiatives such as the COVID-19 response, operating Chicago's drive-thru vaccine site at the United Center, and working with over 2,000 communities across Illinois.

### **About netlogx:**

netlogx, an Indiana-certified Woman-Owned Small Business (WOSB), brings over 26 years of expertise in project management and compliance. They specialize in managing complex, federally funded programs, with a focus on Lean Six Sigma risk management.

### **About Professional Management Enterprises (PME):**

PME, an Indiana-certified MBE, has extensive experience providing staffing and professional services in various sectors, ensuring operational excellence and adherence to best practices.

**About Bravia Services:**

Bravia, an Indiana-certified VBE, brings strong expertise in professional and staffing services, with a commitment to quality and efficiency in service delivery.

Together, our shared experience in grant management, coupled with our deep understanding of Indiana's needs, positions us to deliver a highly effective program. We are enthusiastic about supporting the State's mission, and our team is committed to providing seamless and impactful service delivery. Prism is fully prepared to adhere to all terms of the contract if awarded, ensuring compliance and timely execution of all requirements.

As the President of Prism, I have the authority to bind the organization to the representations made in this proposal. Please feel free to reach out to me directly with any questions or further discussions. My contact information is as follows:
