A pre-proposal conference will be held following at the date, time and location specified in [Section 1.24](#). At this conference, potential respondents that are in person may ask questions about the solicitation and the solicitation process. Respondents are reminded that no answers issued verbally at the conference are binding on the State and any information provided at the conference, unless it is later issued in writing, also is not binding on the State.

The pre-proposal conference provides an opportunity for potential Prime Contractors and potential Subcontractors to connect. The State strongly encourages potential Prime Contractors and potential Subcontractors to complete and submit **Attachment I** directly to rfp@idoa.in.gov no later than the time and date outlined in [Section 1.24](#). Compiled company contact information will be posted to the solicitation website to allow networking to take place among the vendor community. Though **Attachment I** is not required, the State encourages its use.

The pre-proposal conference will be held both “in-person” and “virtually.” The virtual option will have a link posted on the Current Business Opportunities webpage at the following link: <https://www.in.gov/idoa/procurement/current-business-opportunities/>. Details of the pre-proposal conference will be posted no later than 48 hours before the published date outlined in Section 1.24 of this document. The in-person option will be held at the Indiana Government Center- South located at 402 W Washington St, Indianapolis, IN 46204. The specific conference room will be near the auditorium, and members of IDOA will be available to help direct you.

1.7 Question/Inquiry Process

All questions/inquiries regarding this solicitation must be submitted by the date and time outlined in [Section 1.24](#). Questions/Inquiries may be submitted in **Attachment G**, Q&A Template, via email to rfp@idoa.IN.gov and must be received by the time and date indicated in [Section 1.24](#).

The subject line of the email submissions must clearly state the following:
“RFS 26-87589 Questions/Inquiries – [INSERT COMPANY NAME]”.

Following the question/inquiry due date, Procurement Division personnel will compile a list of the questions/inquiries submitted by all Respondents, redacting the name of the company who submitted the question. The responses will be posted to the IDOA website according to the timetable established in [Section 1.24](#). Only answers posted on the IDOA website will be considered binding and valid by the State. No Respondent shall rely upon, take any action, or make any decision based upon any verbal communication with any State employee.

If it becomes necessary to revise any part of this solicitation, or if additional information is necessary for a clearer interpretation of provisions of this solicitation prior to the due date for proposals, an Addendum will be posted on the IDOA website. If such Addenda issuance is

necessary, the Procurement Division may extend the due date and time of proposals to accommodate such additional information requirements, if required.

1.8 Due Date for Proposals

All proposals must be received through the Supplier Portal at the link below by the Procurement Division no later than the date and time outlined in [Section 1.24](#) Summary of Milestones. The proposal will be considered the official response in evaluating responses for scoring and protest resolution and may be posted on the IDOA website, <https://www.in.gov/idoa/procurement/award-recommendations/> if recommended for selection. The proposal must follow the format indicated in [Section Two](#) of this document. No other method of submission will be accepted. Unnecessarily elaborate brochures or other presentations, beyond those necessary to present a complete and effective proposal, are not desired.

Important notes:

Remember that you cannot update the primary contact's email address and use it to sign into the Supplier Portal on the same day.

No more than one proposal per Respondent may be submitted.

Responses may no longer be sent in on flash drives.

The State encourages Respondents to break down their proposals into small file sizes and use compressed zip files, where possible. Uploading large files may lengthen the time to successfully submit your proposal. Checking file sizes of the proposal documents by viewing file properties is also recommended to reduce risks when uploading files.

A bidder ID and password are required to submit a response. For more information on that process, visit: <https://www.in.gov/idoa/wbt/SupplierPortal/index.html>. Bidder ID and password issues are handled by submitting a request for assistance to the State of Indiana Office of Technology and are handled in the order in which they are received. IDOA is not able to assist with these types of issues and they are not justification to miss the submission deadline.

The State strongly encourages Respondents to allow plenty of time when electronically submitting their proposals. Waiting until the last day is not recommended. The Supplier Portal allows documents to be edited until the proposal due date. Therefore, documents could be loaded over several days. The Supplier Portal will not accept proposals once the proposal due date and time has expired, even if a Respondent has already begun uploading bid documents.

The State accepts no obligations for costs incurred by Respondents in anticipation of being awarded a contract.

1.9 Modification or Withdrawal of Offers¹

Responses may be modified by Respondents until the time and date the response is due. The Respondent's authorized representative may withdraw the proposal prior to the due date by sending notice to the address listed above in Section 1.8.

Additionally, in conducting clarifications, the State may use information derived from proposals submitted by competing Respondents only if the identity of the Respondent providing the information is not disclosed to others. The State will provide equivalent information to all Respondents which have been chosen for clarifications.

A sample contract is provided in **Attachment B**. Any requested changes to the sample contract must be submitted with your response (See [Section 2.3.6](#) for details). Respondents claiming a statutory exception to the APRA **must indicate so per Attachment J** which specific provision applies to which specific part of the response.

The State will not look up status on behalf of each Respondent without the Respondent’s claim on Attachment J, Attestation Form.

Respondent's proposal must identify all subcontractors including those not submitted in **Attachment A and/or Attachment A1** and describe the contractual relationship between the Respondent and each subcontractor. Per instructions in **Attachment J**, either a copy of the **executed subcontract** or a **letter of agreement** over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes and will be subject to the provisions thereof. Section Three Proposal Evaluation

3.1 Proposal Evaluation Procedure

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with solicitation requirements. All evaluation personnel will use the evaluation criteria stated in [Section 3.2](#).

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to mandatory requirements, per Section 3.2, Step 1, on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration. Further any proposals not meeting the Mandatory Requirements listed in [Section 3.2](#), Step 1 and noted in **Attachment J** will be disqualified.
- 3.1.2 Each proposal will be evaluated based on the categories included in [Section 3.2](#). A point score has been established for each category.
- 3.1.3 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State may be selected by IDOA and ISDA for further action, such as contract negotiations. If, however, IDOA and ISDA decide that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, the State may begin contract preparation with another Respondent or determine that no such alternate proposal exists.

3.2 Evaluation Criteria

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the solicitation in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 50). Negative points may be assigned in the cost score.

Additionally, there is an opportunity for a bonus of three points if certain criteria are met. For further information, please reference [Section 3.2.3](#). If any one or more of the listed criteria on which the responses to this solicitation will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or

criteria will be disregarded, and the responses will be evaluated and scored without considering such criterion or criteria.

Summary of Evaluation Criteria:

Criteria	Points
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality (Business and Technical Proposal)	50 available points
3. Cost (Cost Proposal)	Omitted for RFS 26-87589
4. Buy Indiana	5 points
5. Minority Business Enterprise Subcontractor Commitment	Omitted for RFS 26-87589
6. Women Business Enterprise Subcontractor Commitment	Omitted for RFS 26-87589
7. Indiana Veteran Owned Small Business Subcontractor Commitment	Omitted for RFS 26-87589

All proposals will be evaluated using the following approach.

Step 1

- Executive Summary and required content
- **Attachment E** Business Proposal, **Attachment F** Technical Proposal, unaltered and complete with all requested supporting documents.
- **Attachment J** Attestation Form, complete with all requested supporting documents

Any proposals not meeting the Mandatory Requirements will be disqualified.

Step 2

The proposals that fulfill the Step 1 Mandatory Requirements will then be scored based on Criteria 2 ONLY. All proposals will be ranked based on their scores for Criteria 2 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be further evaluated.

Step 2 may include one or more rounds of proposal discussions, clarifications, and/or demonstrations focused on cost and other proposal elements. Step 2 may include additional “short lists” at the State’s sole discretion.

Step 3

The short-listed proposals will then be evaluated based on the entire evaluation criteria outlined in the table above.

The section below describes the different evaluation criteria.
