### 1.3 Purpose of the Solicitation

The purpose of this solicitation is to select a respondent that can satisfy the State's need for Indiana State Police Health, Wellness and Readiness Services. It is the intent Indiana State Police to contract with a respondent that provides quality medical, psychological, and mental health testing and services for the Indiana State Police's health and wellness initiatives.

### 1.4 Statement of Work

The Indiana State Police (ISP) is seeking a holistic approach to delivering New Hire Medical Services, Annual Medical Services, and Mental Health Services. Respondents will be responsible for providing specialized services to enhance the health, wellness, and operational readiness of ISP personnel. These responsibilities include timely reporting, data management, and coordinated service delivery in collaboration with ISP representatives.

Currently, ISP operates two contracts that bifurcate medical and psychological testing. The medical testing contract supports specialty teams, such as Special Weapons and Tactics (SWAT), Dive Team, Clandestine Laboratory (Clan Lab), and Bomb units, with blood work, vaccines, and physical examinations, as well as certain vaccines for new hires. The psychological testing contract covers evaluations for new hires, annual examinations for select roles (e.g., Digital Forensics Unit [DFU], Internet Crimes Against Children [ICAC]), and critical incident debriefs. Both contracts include fitness-for-duty and return-to-duty examinations.

ISP seeks to consolidate and expand these services to provide comprehensive medical and psychological evaluations for new hires, ongoing health assessments for all employees, and mental health support to promote psychological well-being across the workforce. ISP invites respondents with expertise in integrated healthcare delivery to propose innovative solutions that align with our vision for a healthier, more resilient workforce, ensuring sustained operational excellence.

This Scope of Work covers a 5-year contract term with the intention of serving the sworn law enforcement contingent within ISP, but the overarching goal of ISP is to build a long term,

comprehensive database on the physical and mental rigors of law enforcement to help guide physical and mental training protocols.

This statement of work is organized into four key service areas: new hire evaluations, annual services, mental health support, and administrative requirements.

## **Technology Security Standards**

The State has robust and comprehensive security standards that permeate all levels of the organization. The Indiana Office of Technology (IOT) has been tasked with establishing and maintaining these security standards. The security standards include assessing security risks, developing, and implementing effective security procedures, and monitoring the effectiveness of those procedures. If the proposed solution involves information technology-related products or services, all such products or services are to be compatible with any of the technology standards found in [Information Security Framework \(https://www.in.gov/iot/iot-vendor-engagement/\)](https://www.in.gov/iot/iot-vendor-engagement/) that are applicable, including the assistive technology standard. Respondents will be required to sign a Non-Disclosure Agreement (NDA) to access the IOT Information Security Framework; Respondent's should review the IOT Information Security Framework, and ensure their proposed solution meets all standards therein.

If the State decides to add Independent Verification & Validation (IV&V) services as part of this Contract, the Contractor will copy the Indiana Department of Administration (IDOA) – IV&V Team member(s) on all project related communications (emails, meeting invites, collaboration tools, etc.) and will grant access to all documents and deliverables throughout the term of the Contract. If IDOA elects to deploy IV&V services in connection with this engagement, the IV&V Team will review and assess all deliverables to determine compliance with the State's requirements set forth in the Contract including the Statement of Work. For contracts entered into, renewed, or amended after June 30, 2026, the IV&V Team shall serve as an approving authority, and no payment shall be issued to the Vendor unless and until IV&V has provided such approval.

The proposed solution is expected to integrate with Access Indiana. The IN.gov Program is tasked with implementing a single sign-on authentication mechanism and Identity Provider for online applications for the State of Indiana, referred to as Access Indiana. The benefits of a standard authentication solution, integration strategy, integration process, and more can be found at Access Indiana Authentication (<https://www.in.gov/inwp/applications/authentication/>)

The State has robust and comprehensive data transmission standards that operate enterprise wide. The IOT established and maintains these standards, which support IOT's data exchange

and API-led strategies for the State. The Contractor's solution must support the State's standard API and file transfer methods to facilitate secure data transmission. The State's standardized data transmission technologies are the MuleSoft API Management and GoAnywhere Managed File Transfer (MFT) services. See <https://www.in.gov/iot/policies-procedures-and-standards/applications-standards/>

The Contractor specifically agrees that all hardware, software and services provided to or purchased by the State shall be compatible with the principles and goals contained in the Assistive Technology Standard, within the State's Information Security Framework (<https://www.in.gov/iot/iot-vendor-engagement/>), State Assistive Technology (<https://www.in.gov/core/accessibility.html>), and the State's architectural standards. Any deviation from these requirements must be approved in writing by IOT in advance.

The Contractor shall maintain and share with the State a Disaster Recovery Plan, and shall make available to the State all amendments, changes, or modifications to its Disaster Recovery Plan. The Contractor's Disaster Recovery Plan is deemed a trade secret and is deemed information that would jeopardize a record keeping or security system and shall be exempt from disclosure under Indiana's Access to Public Records Act, Ind. Code § 5-14-3-4(a) and (b)(10), (11) and (19). Please refer to section [X] of the main RFP document for further information about identifying aspects of a proposal to remain confidential.

The Contractor shall, in coordination with the State, maintain a specific Business Continuity Plan dedicated to operating State systems for which it is responsible in the event of a disaster, as well as a specific Continuity of Operations Plan dedicated to the Contractor's organization itself. Over the course of the contract, the Contractor shall make updates to their Business Continuity-Disaster Recovery Plan on an annual basis to ensure that staffing and procedures are up to date. All said updates shall be shared with the State in a timely manner.

The services to be performed under the Contract resulting from this RFP are vital to the State and must be continued without interruption. Procedures must be in place to ensure a seamless transition and uninterrupted service throughout the transition to a project successor at contract end. The State seeks to ensure that program stakeholders experience no adverse impact from the transfer of scope to either the State or to the successor contractor(s) should the Contract not be extended or terminated early.

The Contractor shall be responsible for planning and performing end of contract turnover and disengagement activities. Disengagement includes transition planning to ensure a seamless operational transition to the State or its designee in the event of required contract transition. The Contractor shall work with the State to ensure that all end of contract turnover tasks are completed and that all responsibilities are transitioned in a timely and effective manner.

The Contractor shall complete, at a minimum, the following tasks and activities during the End of Contract Turnover period:

- Develop an End of Contract Turnover Plan, subject to State approval, including a detailed schedule and resources (quantity, type, and role) who will be available for all months of the End of Contract Turnover period. The End of Contract Turnover Plan shall outline the following:

- Contractor roles and responsibilities
- State roles and responsibilities
- A schedule with key milestones and deliverables
- Method to transfer information to the State and/or a successor contractor(s)
- An inventory of detailed documentation about operations, applications, architecture, and infrastructure, as well as any supporting information related to the technical architecture and infrastructure.
- An inventory of all work-in-progress that need to be completed by the State and/or a successor contractor(s)
- Plans for coordination and transition of specific responsibilities from the incumbent to the future contractor.
- An inventory of project documentation, work-in-progress, technology, systems, and assets necessary for a successive Contractor to perform the duties of the Scope of Work
- Conduct training of State staff or successor contractor(s) staff, in the operations and procedures performed by Contractor staff.
- Perform shadowing and training activities for the State and successor contractor(s)
- Transfer the following information to the State or a successor contractor(s) on a medium acceptable to the State:
  - All relevant project artifacts created, maintained, and updated throughout the Contract term
  - Project documentation, work-in-progress, technology, systems, and assets necessary for a successive Contractor to perform the duties of the Scope of Work
  - Other documentation including, but not limited to:
    - User, provider, and operations manuals
    - Training materials
    - Documentation of any interfaces developed to support business activities between contractors
- Participate in reverse shadowing for the State and/or successor contractor(s) staff on all aspects of workflows, releases, and assignments as requested by the State
- Be available to provide support as requested by the State by the end date of the Contract, the Contractor must turn over all State property to the State, and Contractor's access to all State infrastructure and facilities shall be terminated. The State has the right to initiate the disengagement process for any service under the Contractor Scope of Work with thirty (30) calendar day's written notice. The notice of termination initiates these disengagement activities and responsibilities.

## 1.6 Pre-Proposal Conference

A pre-proposal conference will be held following at the date, time and location specified in [Section 1.24](#). At this conference, potential respondents may ask questions about the solicitation and the solicitation process. Respondents are reminded that no answers issued verbally at the conference are binding on the State and any information provided at the conference, unless it is later issued in writing, also is not binding on the State.

The pre-proposal conference provides an opportunity for potential Prime Contractors and potential Subcontractors to connect. The State strongly encourages potential Prime Contractors and potential Subcontractors to complete and submit **Attachment I** directly to [rfp@idoa.in.gov](mailto:rfp@idoa.in.gov) no later than the time and date outlined in [Section 1.24](#). Compiled company contact information will be posted to the solicitation website to allow networking to take place among the vendor community. Though **Attachment I** is not required, the State encourages its use.

The pre-proposal conference will be held both “in-person” and “virtually.” The virtual option will have a link posted on the Current Business Opportunities webpage at the following link: <https://www.in.gov/idoa/procurement/current-business-opportunities/>. Details of the pre-proposal conference will be posted no later than 48 hours before the published date outlined in Section 1.24 of this document. The in-person option will be held at the Indiana Government Center- South located at 402 W Washington St, Indianapolis, IN 46204. The specific conference room will be near the auditorium, and members of IDOA will be available to help direct you.

## 1.7 Question/Inquiry Process

All questions/inquiries regarding this solicitation must be submitted by the date and time outlined in [Section 1.24](#). Questions/Inquiries may be submitted in **Attachment G**, Q&A Template, via email to [rfp@idoa.IN.gov](mailto:rfp@idoa.IN.gov) and must be received by the time and date indicated in [Section 1.24](#).

The subject line of the email submissions must clearly state the following:  
**“RFP 25-83596 Questions/Inquiries – [INSERT COMPANY NAME]”**.

Following the question/inquiry due date, Procurement Division personnel will compile a list of the questions/inquiries submitted by all Respondents, redacting the name of the company who

submitted the question. The responses will be posted to the IDOA website according to the timetable established in [Section 1.24](#). Only answers posted on the IDOA website will be considered binding and valid by the State. No Respondent shall rely upon, take any action, or make any decision based upon any verbal communication with any State employee.

If it becomes necessary to revise any part of this solicitation, or if additional information is necessary for a clearer interpretation of provisions of this solicitation prior to the due date for proposals, an Addendum will be posted on the IDOA website. If such Addenda issuance is necessary, the Procurement Division may extend the due date and time of proposals to accommodate such additional information requirements, if required.

## **1.8 Due Date for Proposals**

All proposals must be received through the Supplier Portal at the link below by the Procurement Division no later than the date and time outlined in [Section 1.24](#) Summary of Milestones. The proposal will be considered the official response in evaluating responses for scoring and protest resolution and may be posted on the IDOA website, <https://www.in.gov/idoa/procurement/award-recommendations/> if recommended for selection. The proposal must follow the format indicated in [Section Two](#) of this document. No other method of submission will be accepted. Unnecessarily elaborate brochures or other presentations, beyond those necessary to present a complete and effective proposal, are not desired.

Important notes:

Remember that you cannot update the primary contact's email address and use it to sign into the Supplier Portal on the same day.

No more than one proposal per Respondent may be submitted.

Responses may no longer be sent in on flash drives.

The State encourages Respondents to break down their proposals into small file sizes and use compressed zip files, where possible. Uploading large files may lengthen the time to successfully submit your proposal. Checking file sizes of the proposal documents by viewing file properties is also recommended to reduce risks when uploading files.

A bidder ID and password are required to submit a response. For more information on that process, visit: <https://www.in.gov/idoa/wbt/SupplierPortal/index.html>. Bidder ID and password issues are handled by submitting a request for assistance to the State of Indiana Office of Technology and are handled in the order in which they are received. IDOA is not able to assist with these types of issues and they are not justification to miss the submission deadline.

The State strongly encourages Respondents to allow plenty of time when electronically submitting their proposals. Waiting until the last day is not recommended. The Supplier Portal allows documents to be edited until the proposal due date. Therefore, documents could be loaded over several days. The Supplier Portal will not accept proposals once the proposal due date and time has expired, even if a Respondent has already begun uploading bid documents.

The State accepts no obligations for costs incurred by Respondents in anticipation of being awarded a contract.

#### **1.9 Modification or Withdrawal of Offers<sup>1</sup>**

Responses may be modified by Respondents until the time and date the response is due. The Respondent's authorized representative may withdraw the proposal prior to the due date by sending notice to the address listed above in Section 1.8.

#### **1.10 Pricing**

Pricing on this solicitation must be firm and remain open for a period of not less than one hundred eighty (180 days) from the date of award issuance. Any attempt to manipulate the format of the document, attach caveats to pricing, or submit pricing that deviates from the current format will put your proposal at risk of being removed from consideration.<sup>2</sup>

Please refer to the Cost Proposal sub-section under [Section Two](#) for a detailed discussion of the proposal pricing format and requirements.

#### **1.11 Proposal Clarifications**

The State may request clarifications, in writing, on proposals submitted. These clarifications could include, but are not limited to, request for additional information, or request for Cost or Technical proposal revision. Additionally, in conducting clarifications, the State may use information derived from proposals submitted by competing Respondents only if the identity of

the Respondent providing the information is not disclosed to others. The State will provide equivalent information to all Respondents which have been chosen for clarifications.

A sample contract is provided in **Attachment B**. Any requested changes to the sample contract must be submitted with your response (See [Section 2.3.6](#) for details). The State may reject any of these requested changes. It is the State's expectation that any material elements of the contract will be substantially finalized prior to contract award.

#### **1.12 Best and Final Offer (BAFO)**

Each proposal should contain the Respondents' best terms from a price and technical perspective.

The State may request best and final offers from those Respondents determined by the State to be reasonably viable for contract award. However, the State reserves the right to award a contract based on initial proposals received.

Following evaluation of the best and final offers, the State may select for final contract negotiations/execution the offer(s) that are most advantageous to the State.

#### **1.13 Reference Site Visits**

The State may request a site visit to a Respondent's working support center to aid in the evaluation of the Respondent's proposal. Site visits, if required will be discussed in the technical proposal.

#### **1.14 Type and Term of Contract**

The State intends to sign a contract with one or more Respondent(s) to fulfill the requirements in this solicitation.

The term of the contract shall be for a period of five years (5) years from the date of contract execution. There may be one (1) one-year renewals for a total of six (6) years at the State's option.

#### **1.15 Confidential Information**

Respondents are advised that materials contained in proposals are subject to the Access to Public Records Act (APRA), IC 5-14-3 *et seq.* The responses are deemed to be "public records" unless a specific provision of IC 5-14-3 protects it from disclosure. Respondents claiming a statutory exception to the APRA **must indicate so per Attachment J** which specific provision applies to which specific part of the response.

Please note citing "Confidential" on an entire section is not sufficient or acceptable.

The Public Access Counselor (PAC) provides guidance on APRA. Respondents are encouraged to read guidance from the PAC on this topic as this is the guidance IDOA follows:

- [18-INF-06; Redaction of Public Procurement Documents Informal Inquiry](#)

If the Respondent does not identify the statutory exception, the Procurement Division will not consider the submission confidential. The State also may seek the opinion of the PAC for guidance.

Proposals should not include any tax from which the State is exempt.

#### **1.17 Procurement Division Registration**

In order to submit a proposal per [Section 1.8](#), Respondents must be registered as a bidder with the Department of Administration, Procurement Division.

(317) 232-6576  
[www.in.gov/sos](http://www.in.gov/sos)

#### **1.19 Compliance Certification**

Responses to this solicitation serve as a representation that the Respondent has no current or outstanding criminal, civil, or enforcement actions initiated by the State, and it agrees that it will immediately notify the State of any such actions. The Respondent also certifies that neither it nor its principals are presently in arrears in payment of its taxes, permit fees or other statutory, regulatory, or judicially required payments to the State. The Respondent agrees that the State may confirm, at any time, that no such liabilities exist, and, if such liabilities are discovered, that State may bar the Respondent from contracting with the State, cancel existing contracts, withhold payments to setoff such obligations, and withhold further payments or purchases until the entity is current in its payments on its liability to the State and has submitted proof of such payment to the State.

#### **1.20 Equal Opportunity Commitment**

It has been determined that there is a reasonable expectation of minority, woman, and Indiana veteran business enterprises subcontracting opportunities on a contract awarded under this solicitation. Therefore, a contract goal of 8% for Minority Business Enterprises, 11% for Woman Business Enterprises, and 3% for Indiana Veteran Owned Small Businesses has been established.

Failure to address these requirements may impact the evaluation of your proposal.

#### **1.21 Minority & Women Business Enterprises Subcontractor Commitment (MWBE)**

Indiana Code 4-13-16.5 and 25 IAC 5 governs the Division of Supplier Diversity program as it relates to the certification, oversight, and responsibilities around the certified Indiana Minority and/or Women Business Enterprises (MWBE). The contract goal for this solicitation is 8% Minority participation and 11% for Women participation.

If participation exists, the vendor must submit with its quote an MWBE Subcontractor Commitment Form. The entity must be on the State of Indiana Certified M/W/IVOSB list at <https://www.in.gov/idoa/mwbe>.

If participation is met through the use of vendors who supply products and/or services directly to the Respondent, the Respondent must provide a description of products and/or services provided that are directly related to this quote and the cost of direct supplies for this quote. Respondents must complete the Subcontractor Commitment Form in its entirety. The total amount proposed should match the amount entered on the Supplier Commitment form. The subcontractor commitment shall apply to the life of the contract including any time after the initial term.

A signed letter(s), on company letterhead, from the MBE(s) and/or WBE(s) must accompany the MWBE Subcontractor Commitment Form. Each letter shall state and will serve as acknowledgement from the MBE and/or WBE of its subcontract amount, a description of

products and/or services to be provided on this project and approximate date the subcontractor will perform work on this contract.

Questions about those rules and requirements should be directed to: Division of Supplier Diversity at (317) 232-3061 or the Supplier Diversity website at <https://www.in.gov/idoa/mwbe>. Indiana Code 4-13-16.5 and 25 IAC 5 governs the Division of Supplier Diversity program as it relates to the certification, oversight, and responsibilities around the certified Indiana Minority and/or Women Business Enterprises (MWBE). If participation is met through the use of Subcontractors, the Respondent must provide the scope of work of the products and/or services to be provided by the Subcontractor(s). Respondent's proposal must identify all subcontractors including those not submitted in **Attachment A and/or Attachment A1** and describe the contractual relationship between the Respondent and each subcontractor. Per instructions in **Attachment J**, either a copy of the **executed subcontract** or a **letter of agreement** over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, **the Attestation Form, Attachment J, must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.**

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. ## **Section Three Proposal Evaluation**

### **3.1 Proposal Evaluation Procedure**

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with solicitation requirements. All evaluation personnel will use the evaluation criteria stated in [Section 3.2](#).

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to mandatory requirements, per Section 3.2, Step 1, on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration. Further any proposals not meeting the Mandatory Requirements listed in [Section 3.2](#), Step 1 and noted in **Attachment J** will be disqualified.
- 3.1.2 Each proposal will be evaluated based on the categories included in [Section 3.2](#). A point score has been established for each category.
- 3.1.3 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State may be selected by IDOA and ISP for further action, such as contract negotiations. If, however, IDOA and ISP decide that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, the State may begin contract preparation with another Respondent or determine that no such alternate proposal exists.

### **3.2 Evaluation Criteria**

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the solicitation in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 103). Negative points may be assigned in the cost score.

Additionally, there is an opportunity for a bonus of three points if certain criteria are met. For further information, please reference [Section 3.2.3](#). If any one or more of the listed criteria on which the responses to this solicitation will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or

criteria will be disregarded, and the responses will be evaluated and scored without considering such criterion or criteria.

**Summary of Evaluation Criteria:**

<b>Criteria</b>	<b>Points</b>
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality (Business and Technical Proposal)	<b>45 available points</b>
3. Cost (Cost Proposal)	<b>35 available points</b>
4. Buy Indiana	5
5. Minority Business Enterprise Subcontractor Commitment	5 (1 bonus points are available, see Section 3.2.5)
6. Women Business Enterprise Subcontractor Commitment	5 (1 bonus points are available, see Section 3.2.5)
7. Indiana Veteran Owned Small Business Subcontractor Commitment	5 (1bonus points are available, see Section 3.2.6)
<b>Total</b>	<b>100 (103 if bonus awarded)</b>

All proposals will be evaluated using the following approach.

**Step 1**

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. The Mandatory Requirements are:

- Executive Summary and required content
- **Attachment C** Indiana Economic Impact Form, completed;
- **Attachment D** Cost Proposal, **Attachment E** Business Proposal, **Attachment F** Technical Proposal, unaltered and complete with all requested supporting documents.
- **Attachment J** Attestation Form, complete with all requested supporting documents
- Infrastructure Overview and AI Technical Proposal Questions

Additionally, a Respondent must not have had any State contract or purchase order terminated or cancelled within the last two calendar years due to Respondent's failure to deliver products or services timely and in accordance with all terms of an accepted proposal or a state contract. IDOA retains full discretion to determine vendor responsibility and may reject any bid received. (See I.C. 5-22-16-1.)

Any proposals not meeting the Mandatory Requirements will be disqualified.

## **Step 2**

The proposals that fulfill the Step 1 Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. All proposals will be ranked based on their combined scores for Criteria 2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be further evaluated.

Step 2 may include one or more rounds of proposal discussions, oral presentations, clarifications, and/or demonstrations focused on cost and other proposal elements. Step 2 may include additional “short lists” at the State’s sole discretion.

## **Step 3**

The short-listed proposals will then be evaluated based on the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short-listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

- 3.2.1 Adherence to Requirements – Pass/Fail**  
Respondents passing this category move to Phase 2

**The following 2 categories cannot exceed 80 points.**

- 3.2.2 Management Assessment/Quality**  
**45** available points

- 3.2.3 Price**  
**35** available points

Cost scores will then be normalized to one another, based on the lowest cost proposal evaluated. The lowest cost proposal receives a total of **35** points. The normalization formula is as follows:

- *Respondent’s Cost Score = (Lowest Cost Proposal / Total Cost of Proposal) X 35*

- 3.2.4 Buy Indiana Initiative – 5 points**

Respondents qualifying, and documenting per **Attachment J**, as an Indiana Company as defined in [Section 2.6.2](#) will receive 5 points in this category.

### 3.2.5 **Minority Business Subcontractor Commitment – 5 points<sup>5</sup>**

The following formula will be used to determine points to be awarded based on the MBE goals listed in [Section 1.20](#) of this solicitation. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-points, scale. Points are assigned for respective MBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established MBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%
Pts.	.625	1.25	1.875	2.5	3.125	3.75	4.375	5.0

*NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 4.375 pts., 7.50% will be rounded up to 8% = 5.00 pts. Rounding will be calculated based on the Sub-Contract Amount, divided by the Total Bid Amount.)*

If the respondent's commitment amount is greater than \$0 but the commitment percentage is rounded down to 0% for MBE participation the respondent will receive 0 points.

If the respondent's commitment amount is \$0 and thus the commitment percentage is 0% for MBE participation, a deduction of 1 point will be discounted on the respective MBE score.

The respondent with the greatest applicable VSC participation which exceeds the stated goal ("exceeds" defined herein as a commitment percentage that is equal to or greater than 9% before rounding) for the respective MBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the respective MBE category both firms will receive 6 points.

### 3.2.6 **Women Business Subcontractor Commitment - 5 points<sup>6</sup>**

The following formula will be used to determine points to be awarded based on

the WBE goals listed in [Section 1.20](#) of this solicitation.

Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-point, scale. Points are assigned for WBE participation based upon the BAFO meeting or exceeding the established goals.

If the Respondent’s commitment percentage is less than the established WBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%	9%	10%	11%
Pts.	0.45	0.9	1.35	1.8	2.2	2.7	3.1	3.6	4.05	4.5	5.0

*NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 3.15 pts., 7.50% will be rounded up to 8% = 3.6 pts. Rounding will be calculated based on the Sub-Contract Amount, divided by the Administrative Bid Amount.)*

If the Respondent’s commitment amount is greater than \$0 but the commitment percentage is rounded down to 0% for WBE participation the Respondent will receive 0 points.

If the Respondent’s commitment amount is \$0 and thus the commitment percentage is 0% for WBE participation, a deduction of 1 point will be discounted on the WBE score.

The Respondent with the greatest applicable VSC participation which exceeds the stated goal (“exceeds” defined herein as a commitment percentage that is equal to or greater than 12% before rounding) for the WBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the WBE category both firms will receive 6 points.

**3.2.7 Indiana Veteran Owned Small Business Subcontractor Commitment - 5 points <sup>7</sup>**

The following formula will be used to determine points to be awarded based on the IVOSB goal listed in [Section 1.20](#) of this solicitation. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-point, scale. Points are assigned for IVOSB participation based upon the BAFO meeting or exceeding the established goals.

If the respondent’s commitment percentage is less than the established IVOSB

goal, the maximum points achieved will be awarded according to the following schedule:

%	0%	0.6%	1.2%	1.8%	2.4%	3%
Pts.	-1	1	2	3	4	5

*NOTE: Fractional points will be awarded based upon a graduated scale between whole points. (e.g., a 0.3% commitment will receive .5 points and a 1.5% commitment will receive 2.5 points)*

If the respondent's commitment percentage is 0% for IVOSB participation, a deduction of 1 point will be assessed.

The IVOSB prime respondent commitment will be 3% and will receive 5 points. Any additional IVOSB subcontractor commitments will be added to the 3%.

The respondent with the greatest applicable VSC participation which exceeds the stated goal for the IVOSB category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the IVOSB category both firms will receive 6 points.
