Summary of Changes

Deletions are indicated via ~~striketrough~~ font and additions have been made in red font in the corresponding documents.

I. The following edits have been made to Attachment D – Cost Proposal Template:

- 1) The 3 components were separated onto separate Cost Proposal tabs labeled Data Services, CQI Services & Event Planning & Mgmt Services
- 2) This change allows a respondent to bid on each component separately.

II. The following edits have been made to the RFP Main Document:

1.3 Purpose of the Solicitation

The purpose of this procurement request is to select a vendor(s) that can satisfy the State's need administrative services to support data analysis services, continuous quality improvement (CQI) coordination services and event planning and management for Maternal, Infant and Early Childhood Home Visiting (MIECHV), the Indiana statewide home visiting referral system and statewide Nurse-Family Partnership (NFP) programming. **The State may elect to award each component separately.**

3.2 Evaluation Criteria

Step 2

The proposals that fulfil Step 1 Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. All proposals will be ranked based on their combined scores for Criteria 2 and 3 ONLY. This ranking will be used to create a "short list". Any proposal not making the "short list" will not be further evaluated. **Each component (Data Services, CQI Services and Event Planning & Mgmt Services will be scored individually and combined with the MAQ scoring for each component.**
