It is the intent of Family and Social Services Administration – Deaf and Hard of Hearing Services (FSSA-DHHS) to contract with a respondent that provides quality Hearing Aids, Devices, and Services for Family and Social Services Administration – Deaf and Hard of Hearing Services (FSSA-DHHS).

1.4 Summary Scope of Work

The Contractor shall provide all services necessary to provide new hearing aids, devices, and services to the State of Indiana as set forth in this RFP and attachments, incorporated and made a part of this Contract herein by reference. IDOA, on behalf of Family and Social Services Administration – Deaf and Hard of Hearing Services, is establishing a quantity purchase agreement (QPA) for these commodities and services. The duties of the Contractor are set forth, attached hereto, and fully incorporated herein.

Furthermore, other governmental bodies of the State of Indiana may utilize the QPA negotiated by the State. Although participation of this contract by the other governmental bodies is not mandatory, it is the State’s goal to continue to encourage all other governmental bodies of the State of Indiana to use the price agreement(s) resulting from this RFP. Increased utilization by these entities significantly enhances the business opportunity for the winning Respondent without having to participate in additional RFP processes individually with these entities.

The State, however, is not responsible for the transactions between the awarded Respondent and these entities. All other governmental bodies using State contracts and QPAs are expected to follow the contractual terms and conditions specified in those agreements and within local purchasing requirements. The awarded Respondent is required to provide and extend pricing for hearing aids, devices and services to other governmental bodies of the State of Indiana.

The State may award all or part of this RFP based on the best interests of the State.

1.4.1 INDEPENDENT VALIDATION AND VERIFICATION (IV&V)

If IDOA elects to deploy IV&V services in connection with this engagement, the IV&V Team will review and assess all deliverables to determine compliance with the State’s requirements set forth in the Contract including the Statement of Work. For contracts entered into, renewed, or amended after June 30, 2026, the IV&V Team shall serve as an approving authority, and no payment shall be issued to the Vendor unless and until IV&V has provided such approval.

The State will use Key Performance Indicators (KPIs) to measure performance and outcomes of the Contract. The specific KPIs and their targets will be defined and agreed upon by the State and the Vendor during the initial phases of the requirements under the Contract. At a minimum, on time delivery at quality standards of the scope provided within the budget set forth in the Contract will each be measured. Additionally, the State will collect a modified Net Promoter Score from customers to this Contract in its discretion. Low ratings on the modified Net Promoter Score or failure to meet any other KPIs may be deemed, at the discretion of the State, to constitute default under the Contract.

1.4.3 Current Purchasing Profile

The table below represents the approximate State spend from January 1 – December 31, 2025. The approximate total of one year’s spend (for State and Local) on the current contracts from Date January 1 – December 31, 2025, was \$1,000,000.

The benefits of a standard authentication solution, integration strategy, integration process, and more can be found at [Access Indiana Authentication \(https://www.in.gov/inwp/applications/authentication/\)](https://www.in.gov/inwp/applications/authentication/).

1.4.6 End of Contract Turnover

The services to be performed under the Contract resulting from this RFP are vital to the State and must be continued without interruption. Procedures must be in place to ensure a seamless transition and uninterrupted service throughout the transition to a project successor at contract end. The State seeks to ensure that program stakeholders experience no adverse impact from the transfer of scope to either the State or to the successor contractor(s) should the Contract not be extended or terminated early.

The Contractor shall be responsible for planning and performing end of contract turnover and disengagement activities. A pre-proposal conference will be held following at the date, time and location specified in [Section 1.24](#). At this conference, potential respondents may ask questions about the solicitation and the solicitation process. Respondents are reminded that no answers issued verbally at the conference are binding on the State and any information provided at the conference, unless it is later issued in writing, also is not binding on the State.

The pre-proposal conference provides an opportunity for potential Prime Contractors and potential Subcontractors to connect. The State strongly encourages potential Prime Contractors and potential Subcontractors to complete and submit **Attachment I** directly to rfp@idoa.in.gov no later than the time and date outlined in [Section 1.24](#). Compiled company contact information will be posted to the solicitation website to allow networking to take place among the vendor community. Though **Attachment I** is not required, the State encourages its use.

1.7 Question/Inquiry Process

All questions/inquiries regarding this solicitation must be submitted by the date and time outlined in [Section 1.24](#). Questions/Inquiries may be submitted in **Attachment G**, Q&A Template, via email to rfp@idoa.IN.gov and must be received by the time and date indicated in [Section 1.24](#).

The subject line of the email submissions must clearly state the following:
“**RFP 26-86494** Questions/Inquiries – *[INSERT COMPANY NAME]*”.

Following the question/inquiry due date, Procurement Division personnel will compile a list of the questions/inquiries submitted by all Respondents, redacting the name of the company who submitted the question. The responses will be posted to the IDOA website according to the timetable established in [Section 1.24](#). Only answers posted on the IDOA website will be considered binding and valid by the State. No Respondent shall rely upon, take any action, or make any decision based upon any verbal communication with any State employee.

If it becomes necessary to revise any part of this solicitation, or if additional information is necessary for a clearer interpretation of provisions of this solicitation prior to the due date for proposals, an Addendum will be posted on the IDOA website. If such Addenda issuance is necessary, the Procurement Division may extend the due date and time of proposals to accommodate such additional information requirements, if required.

1.8 Due Date for Proposals

The proposal must follow the format indicated in [Section Two](#) of this document. No other method of submission will be accepted. Unnecessarily elaborate brochures or other presentations, beyond those necessary to present a complete and effective proposal, are not desired.

Important notes:

Remember that you cannot update the primary contact's email address and use it to sign into the Supplier Portal on the same day.

No more than one proposal per Respondent may be submitted.

Responses may no longer be sent in on flash drives.

The State encourages Respondents to break down their proposals into small file sizes and use compressed zip files, where possible. Uploading large files may lengthen the time to successfully submit your proposal. Checking file sizes of the proposal documents by viewing file properties is also recommended to reduce risks when uploading files.

A bidder ID and password are required to submit a response. For more information on that process, visit: <https://www.in.gov/idoa/wbt/SupplierPortal/index.html>. Bidder ID and password issues are handled by submitting a request for assistance to the State of Indiana Office of Technology and are handled in the order in which they are received. IDOA is not able to assist with these types of issues and they are not justification to miss the submission deadline.

The State strongly encourages Respondents to allow plenty of time when electronically submitting their proposals. Waiting until the last day is not recommended. The Supplier Portal allows documents to be edited until the proposal due date. Therefore, documents could be loaded over several days. The Supplier Portal will not accept proposals once the proposal due date and time has expired, even if a Respondent has already begun uploading bid documents.

The State accepts no obligations for costs incurred by Respondents in anticipation of being awarded a contract.

1.9 **Modification or Withdrawal of Offers**¹

Responses may be modified by Respondents until the time and date the response is due. The Respondent's authorized representative may withdraw the proposal prior to the due date by sending notice to the address listed above in Section 1.8.

1.10 **Pricing**

Pricing on this solicitation must be firm and remain open for a period of not less than one hundred eighty (180 days) from the date of award issuance. Any attempt to manipulate the format of the document, attach caveats to pricing, or submit pricing that deviates from the current format will put your proposal at risk of being removed from consideration.²

Please refer to the Cost Proposal sub-section under [Section Two](#) for a detailed discussion of the proposal pricing format and requirements.

1.11 **Proposal Clarifications**

The State may request clarifications, in writing, on proposals submitted. These clarifications could include, but are not limited to, request for additional information, or request for Cost or Technical proposal revision. Additionally, in conducting clarifications, the State may use information derived from proposals submitted by competing Respondents only if the identity of the Respondent providing the information is not disclosed to others. The State will provide equivalent information to all Respondents which have been chosen for clarifications.

A sample contract is provided in **Attachment B**. Any requested changes to the sample contract must be submitted with your response (See [Section 2.3.6](#) for details). The State may reject any of these requested changes. It is the State's expectation that any material elements of the contract will be substantially finalized prior to contract award.

1.12 **Best and Final Offer (BAFO)**

Each proposal should contain the Respondents' best terms from a price and technical perspective.

The State may request best and final offers from those Respondents determined by the State to be reasonably viable for contract award. However, the State reserves the right to award a contract based on initial proposals received.

¹ Please note if the State elects to cancel the solicitation, all submitted responses would remain confidential, until the replacement solicitation is concluded, and an Award Recommendation made.

² Making modifications to the Cost Proposal could result in the proposal being removed from consideration.

Following evaluation of the best and final offers, the State may select for final contract negotiations/execution the offer(s) that are most advantageous to the State.

1.13 Reference Site Visits

The State may request a site visit to a Respondent's working support center to aid in the evaluation of the Respondent's proposal. Site visits, if required will be discussed in the technical proposal.

1.14 Type and Term of Contract

The State intends to sign a contract with one or more Respondent(s) to fulfill the requirements in this solicitation.

The term of the contract shall be for a period of five (5) years from the date of contract execution. There may be one (1) one-year renewals for a total of [six] (6) years at the State's option.

1.15 Confidential Information

Respondents are advised that materials contained in proposals are subject to the Access to Public Records Act (APRA), IC 5-14-3 *et seq.*, and, after the contract award, the entire solicitation file will be posted on the IDOA website and may be viewed and copied by any member of the public, including news agencies and competitors. The responses are deemed to be "public records" unless a specific provision of IC 5-14-3 protects it from disclosure. Respondents claiming a statutory exception to the APRA **must indicate so per Attachment J** which specific provision applies to which specific part of the response.

Please note citing "Confidential" on an entire section is not sufficient or acceptable.

The Public Access Counselor (PAC) provides guidance on APRA. Respondents are encouraged to read guidance from the PAC on this topic as this is the guidance IDOA follows:

- [18-INF-06; Redaction of Public Procurement Documents Informal Inquiry](#)

If the Respondent does not identify the statutory exception, the Procurement Division will not consider the submission confidential. The State also may seek the opinion of the PAC for guidance.

The Respondent also certifies that neither it nor its principals are presently in arrears in payment of its taxes, permit fees or other statutory, regulatory, or judicially required payments to the State. The Respondent agrees that the State may confirm, at any time, that no such liabilities exist, and, if such liabilities are discovered, that State may bar the Respondent from contracting with the State, cancel existing contracts, withhold payments to setoff such obligations, and withhold further payments or purchases until the entity is current in its payments on its liability to the State and has submitted proof of such payment to the State.

1.20 Equal Opportunity Commitment

It has been determined that there is a reasonable expectation of minority, woman, and Indiana veteran business enterprises subcontracting opportunities on a contract awarded under this solicitation. Therefore, a contract goal of 8% for Minority Business Enterprises, 11% for Woman Business Enterprises, and 3% for Indiana Veteran Owned Small Businesses has been established.

Failure to address these requirements may impact the evaluation of your proposal.

1.21 Minority & Women Business Enterprises Subcontractor Commitment (MWBE)

Indiana Code 4-13-16.5 and 25 IAC 5 governs the Division of Supplier Diversity program as it relates to the certification, oversight, and responsibilities around the certified Indiana Minority and/or Women Business Enterprises (MWBE). The contract goal for this solicitation is 8% Minority participation and 11% for Women participation.

If participation exists, the vendor must submit with its quote an MWBE Subcontractor Commitment Form. The entity must be on the State of Indiana Certified M/W/IVOSB list at <https://www.in.gov/idoa/mwbe>.

If participation is met through the use of vendors who supply products and/or services directly to the Respondent, the Respondent must provide a description of products and/or services provided that are directly related to this quote and the cost of direct supplies for this quote. Respondents must complete the Subcontractor Commitment Form in its entirety. The total amount proposed should match the amount entered on the Supplier Commitment form. The subcontractor commitment shall apply to the life of the contract including any time after the initial term.

A signed letter(s), on company letterhead, from the MBE(s) and/or WBE(s) must accompany the MWBE Subcontractor Commitment Form. Each letter shall state and will serve as acknowledgement from the MBE and/or WBE of its subcontract amount, a description of products and/or services to be provided on this project and approximate date the subcontractor will perform work on this contract.

Questions about those rules and requirements should be directed to: Division of Supplier Diversity at (317) 232-3061 or the Supplier Diversity website at <https://www.in.gov/idoa/mwbe>. Indiana Code 4-13-16.5 and 25 IAC 5 governs the Division of Supplier Diversity program as it relates to the certification, oversight, and responsibilities around the certified Indiana Minority and/or Women Business Enterprises (MWBE). As stated in [Section 1.20](#), there is a commitment goal for this solicitation. The MWBE Subcontractor Commitment form is **Attachment A**. The MWBE Subcontractor Commitment Form is to be submitted as a part of the Respondent's proposal. In order for the Subcontractor commitment to result in evaluation points for the Respondent, the entity must be on the State of Indiana Certified M/W/IVOSB list at <https://www.in.gov/idoa/mwbe>.

If participation is met through the use of Subcontractors, the Respondent must provide the scope of work of the products and/or services to be provided by the Subcontractor(s). This must include explanation of whether the products and/or services are to be utilized directly by the Respondent and/or directly by the State, a description of the process through which the products/services will be received and applied to the benefit of the award, the deliverable requirements as agreed upon between the Contractor and Subcontractor, the certified UNSPSC that applies to the award, and the cost of supplies being utilized by the Respondent for this proposal. Respondents must complete the Subcontractor Commitment Form in its entirety. The amount entered in “**TOTAL BID AMOUNT**” should match the amount entered in the **Attachment D**, Cost Proposal Template Discount Pricing tab and cell G41. The MBE and/or WBE Subcontractor amount and Subcontractor percentage is based on the initial term of the contract for scoring purposes only. The overall committed Subcontractor percentage shall be sustained throughout the life of the contract including any time after the initial term.

Failure to meet these goals will affect the evaluation of your Proposal. The Department will verify all information included on the MWBE Subcontractor Commitment Form.

Prime Contractors must ensure that the proposed Subcontractors meet the following criteria:

- Must be on the State of Indiana Certified M/W/IVOSB list at <https://www.in.gov/idoa/mwbe>, **on or before** the proposal due date.

MINORITY & WOMEN’S BUSINESS ENTERPRISES SUBCONTRACTOR LETTER OF COMMITMENT (MWBE)

A signed letter(s), on company letterhead, from the MBE(s) and/or WBE(s) must accompany the MWBE Subcontractor Commitment Form. Each letter shall state and will serve as acknowledgement from the MBE and/or WBE of its Subcontract amount, a description of products and/or services to be provided on this project and approximate date the Subcontractor will perform work on this contract. For scoring purposes, the MBE and/or WBE Subcontractor amount and Subcontractor percentage is based on the initial term of the

contract. However, the Subcontractor commitment shall apply to the life of the contract including any time after the initial term.

The State may deny evaluation points if the letter(s) is/are not attached, not on company letterhead, not signed and/or does not reference and match the subcontract amount, subcontract amount as a percentage of the **“TOTAL BID AMOUNT”** and the anticipated period that the Subcontractor will perform work for this solicitation.

By submission of the proposal, the Respondent acknowledges and agrees to be bound by the rules and requirements of the State’s Division of Supplier Diversity. Questions about those rules and requirements should be directed to: Division of Supplier Diversity at (317) 232-3061 or the Supplier Diversity website at <https://www.in.gov/idoa/mwbe>.

2.2 Executive Summary

2.3.2 Respondent's Company Structure

The legal form of the Respondent's business organization, the state in which formed (accompanied by a certificate of authority), the types of business ventures in which the organization is involved, and a chart of the organization are to be included in this section. A sample contract that the State expects to execute with the successful Respondent(s) is provided in **Attachment B**. This contract contains mandatory clauses. The agency has the option to decline proposed language. Inability for the agency and the awardee(s) to agree to terms could jeopardize the contract and end the negotiations.

Cost Proposal Narrative

The Respondent should provide a brief narrative (not longer than two pages) in support of each Cost Proposal item. The narrative should be focused on clarifying how the proposed prices correspond directly to the Respondent's Technical Proposal. 2.6.1 Indiana Economic Impact

All companies desiring to do business with State Agencies must complete an “Indiana Economic Impact” form (**Attachment C**). This is not a separate evaluation item scored as set forth in [Section 3.2](#) but still a required form. The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the State. Respondent's proposal must identify all subcontractors including those not submitted in **Attachment A and/or Attachment A1** and describe the contractual relationship between the Respondent and each subcontractor. Per instructions in **Attachment J**, either a copy of the **executed subcontract** or a **letter of agreement** over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, **the Attestation Form, Attachment J, must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.**

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. The Respondent must furnish information to the State as to the amount of the subcontract, the qualifications of the subcontractor for guaranteeing performance, and any other data that may be required by the State. All subcontracts held by the Respondent must be made available upon request for inspection and examination by appropriate State officials, and such relationships must meet with the approval of the State.

The Respondent must list any subcontractor's name, address, and the state in which formed that are proposed to be used in providing the required products or services. The subcontractor's responsibilities under the proposal, anticipated

Section Three Proposal Evaluation

3.1 Proposal Evaluation Procedure

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with solicitation requirements. All evaluation personnel will use the evaluation criteria stated in [Section 3.2](#).

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to mandatory requirements, per Section 3.2, Step 1, on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration. Further any proposals not meeting the Mandatory Requirements listed in [Section 3.2](#), Step 1 and noted in **Attachment J** will be disqualified.
- 3.1.2 Each proposal will be evaluated based on the categories included in [Section 3.2](#). A point score has been established for each category.
- 3.1.3 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State may be selected by IDOA and FSSA/DHHS for further action, such as contract negotiations. If, however, IDOA and FSSA/DHHS decide that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, the State may begin contract preparation with another Respondent or determine that no such alternate proposal exists.

3.2 Evaluation Criteria

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the solicitation in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 103). Negative points may be assigned in the cost score.

Additionally, there is an opportunity for a bonus of three points if certain criteria are met. For further information, please reference [Section 3.2.3](#). If any one or more of the listed criteria on which the responses to this solicitation will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or

criteria will be disregarded, and the responses will be evaluated and scored without considering such criterion or criteria.

Summary of Evaluation Criteria:

Criteria	Points
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality (Business and Technical Proposal)	45 available points
3. Cost (Cost Proposal)	35 available points
4. Buy Indiana	5
5. Minority Business Enterprise Subcontractor Commitment	5 (1 bonus points are available, see Section 3.2.5)
6. Women Business Enterprise Subcontractor Commitment	5 (1 bonus points are available, see Section 3.2.5)
7. Indiana Veteran Owned Small Business Subcontractor Commitment	5 (1bonus points are available, see Section 3.2.6)
Total	100 (103 if bonus awarded)

All proposals will be evaluated using the following approach.

Step 1

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. The Mandatory Requirements are:

- Executive Summary and required content
- **Attachment C** Indiana Economic Impact Form, completed;
- **Attachment D** Cost Proposal, **Attachment E** Business Proposal, **Attachment F** Technical Proposal, unaltered and complete with all requested supporting documents.
- **Attachment J** Attestation Form, complete with all requested supporting documents

Any proposals not meeting the Mandatory Requirements will be disqualified.

Step 2

The proposals that fulfill the Step 1 Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. All proposals will be ranked based on their combined scores for Criteria

2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be further evaluated.

Step 2 may include one or more rounds of proposal discussions, oral presentations, clarifications, and/or demonstrations focused on cost and other proposal elements. Step 2 may include additional “short lists” at the State’s sole discretion.

Step 3

The short-listed proposals will then be evaluated based on the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short-listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

- 3.2.1 **Adherence to Requirements** – Pass/Fail
Respondents passing this category move to Phase 2

The following 2 categories cannot exceed 80 points.

- 3.2.2 **Management Assessment/Quality**
45 available points

- 3.2.3 **Price**
35 available points

Cost scores will then be normalized to one another, based on the lowest cost proposal evaluated. The lowest cost proposal receives a total of 35 points. The normalization formula is as follows:

- *Respondent’s Cost Score = (Lowest Cost Proposal / Total Cost of Proposal) X 35*

- 3.2.4 **Buy Indiana Initiative** – 5 points

Respondents qualifying, and documenting per **Attachment J**, as an Indiana Company as defined in [Section 2.6.2](#) will receive 5 points in this category.

3.2.5 Minority Business Subcontractor Commitment – 5 points⁵

The following formula will be used to determine points to be awarded based on the MBE goals listed in [Section 1.20](#) of this solicitation. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-points, scale. Points are assigned for respective MBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established MBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%
Pts.	.625	1.25	1.875	2.5	3.125	3.75	4.375	5.0

NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 4.375 pts., 7.50% will be rounded up to 8% = 5.00 pts. Rounding will be calculated based on the Sub-Contract Amount, divided by the Total Bid Amount.)

If the respondent's commitment amount is greater than \$0 but the commitment percentage is rounded down to 0% for MBE participation the respondent will receive 0 points.

If the respondent's commitment amount is \$0 and thus the commitment percentage is 0% for MBE participation, a deduction of 1 point will be discounted on the respective MBE score.

The respondent with the greatest applicable VSC participation which exceeds the stated goal ("exceeds" defined herein as a commitment percentage that is equal to or greater than 9% before rounding) for the respective MBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the respective MBE category both firms will receive 6 points.

3.2.6 Women Business Subcontractor Commitment - 5 points ⁶

The following formula will be used to determine points to be awarded based on the WBE goals listed in [Section 1.20](#) of this solicitation.

Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-point, scale. Points are assigned for WBE participation based upon the BAFO meeting or

⁵ Required documentation must, of course, be provided to receive points as described.

⁶ Required documentation must, of course, be provided to receive points as described.

exceeding the established goals.

If the Respondent's commitment percentage is less than the established WBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%	9%	10%	11%
Pts.	0.45	0.9	1.35	1.8	2.2 5	2.7	3.1 5	3.6	4.05	4.5	5.0

NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 3.15 pts., 7.50% will be rounded up to 8% = 3.6 pts. Rounding will be calculated based on the Sub-Contract Amount, divided by the Administrative Bid Amount.)

If the Respondent's commitment amount is greater than \$0 but the commitment percentage is rounded down to 0% for WBE participation the Respondent will receive 0 points.

If the Respondent's commitment amount is \$0 and thus the commitment percentage is 0% for WBE participation, a deduction of 1 point will be discounted on the WBE score.

The Respondent with the greatest applicable VSC participation which exceeds the stated goal ("exceeds" defined herein as a commitment percentage that is equal to or greater than 12% before rounding) for the WBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the WBE category both firms will receive 6 points.

3.2.7 Indiana Veteran Owned Small Business Subcontractor Commitment - 5 points ⁷

The following formula will be used to determine points to be awarded based on the IVOSB goal listed in [Section 1.20](#) of this solicitation. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-point, scale. Points are assigned for IVOSB participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established IVOSB goal, the maximum points achieved will be awarded according to the following schedule:

⁷ Required documentation must, of course, be provided to receive points as described.

%	0%	0.6%	1.2%	1.8%	2.4%	3%
Pts.	-1	1	2	3	4	5

NOTE: Fractional points will be awarded based upon a graduated scale between whole points. (e.g., a 0.3% commitment will receive .5 points and a 1.5% commitment will receive 2.5 points)

If the respondent's commitment percentage is 0% for IVOSB participation, a deduction of 1 point will be assessed.

The IVOSB prime respondent commitment will be 3% and will receive 5 points. Any additional IVOSB subcontractor commitments will be added to the 3%.

The respondent with the greatest applicable VSC participation which exceeds the stated goal for the IVOSB category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the IVOSB category both firms will receive 6 points.

3.2.8 Qualified State Agency Preference Scoring

"Qualified Agency" refers to a nonprofit agency for persons with severe disabilities that meets the provisions of IC 5-22-13. When applicable, pursuant to Indiana Code 5-22-13, the qualified agency submitting or participating in a response to this solicitation will be awarded preference points for Minority, Women's, and Indiana Veteran Business Enterprise equal to the Respondent awarded the highest combined points awarded for such preferences in the scoring of this solicitation.
