PRODUCT CATALOG

WE ARE HERE TO HELP YOU GET THE VERY BEST PRODUCTS

COMPANY OVERVIEW

Since our inception in 1996, J&B Medical has become a recognized market leader in healthcare. More than a family-owned business, we are a family of businesses that span across all aspects of medical-related care including: sole source program management, national managed care contracts, technology solutions, as well as insurance-covered, emergency-medical, retail home-care and veterinary products.

J&B Medical is a nationally certified Women's Business Enterprise composed of knowledgeable industry professionals. J&B Medical's passionate team members are motivated to provide exceptional service at every interaction. Our goal is simple: enhance the quality of life, improve clinical outcomes, and reduce healthcare costs. J&B Medical settles for nothing less than the most innovative industry practices and the highest levels of integrity.

DRIVE MEDICAL

Bed Mattress System Med-Aire® Alternating Pressure / Low Air Loss 36" X 80" X 8"

- The system provides alternating pressure
- The whisper quiet pump produces consistent air flow
- Mattress can operate in an alternating or static pressure mode
- Special vibration isolating features insure that the patient rests easily without feeling the pumps vibrating action
- LED and audible alarm provide critical performance data and alert caregiver when pressure falls below 10mmhg (inner mattress pressure)
- Mattress has 20 easy to replace individual air bladders, nine (9) with laser holes to achieve low air loss function, to increase patient comfort, keep the patient cool and speed recovery
- Quick fill adapter and carry bag standard
- Spring lined air tubes prevent kinks and disruption of air flow
- CPR valves provide fast (20-Second) deflation
- 8 inch high air cells are constructed with Nylon / 50% PVC for durability
- Pillow function maintains the 3 air cells at the head of the bed in static mode for patient comfort
- 2-way stretch cover is low shear, fluid resistant, vapor permeable, quilted and zippered

DRV14027

\$544.74/EACH

Bed & Bedding Products

DRIVE MEDICAL

Electric Bed King's Pride 1000 Bariatric Queen 80" Length 15 to 24" Height Range

- Designed to be used in the prevention, treatment, and management of pressure ulcers
- This combination therapy overlay system provides both alternating pressure and low air loss to optimize pressure redistribution and manage skin maceration
- Cell-on-cell design of 8 inch deep air cells prevents "bottoming out" and also provides up to 24 hours of power outage protection
- Digital pump allows for customization to individual patients' comfort and safety needs, and will auto return to alternating pressure mode if system is left on static mode for > 2 hours
- 4-way stretch cover is low shear, fluid resistant, vapor permeable, quilted and zippered
- Each one of the 20, 8 inch deep air bladders are easily removed and replaced
- Pillow function maintains the 3 air cells at the head of the bed in static mode for patient comfort
- 3 diagnostic alarms tell you whether a problem is with the mattress or the pump for more efficient servicing
- CPR valve allows for rapid deflation
- 8 inch cells are constructed with 60% Nylon/40% PU that is soft and lightweight

DRV14029

\$908.07/EACH

DRIVE MEDICAL

Premium Guard Gel Overlay, 76"L X 34"W X 3.5"H, 300lb Capacity, 15 Gel Bladders

- 10 gel bladders cover entire patient contact area
- Full length Head to Toe gel bladders minimizes bottoming out and pitting
- 4 elastic corner straps secures overlay to mattress
- Urethane coated nylon cover is, water resistant and vapor permeable
- Vinyl base is stain resistant and waterproof
- Bladders contain an aqueous non-toxic gel and polystyrene beads to minimize gel migration
- Designated head and foot sections
- 300 lb. weight capacity
- Egg crate top layer vastly improves patient comfort

SMITH & NEPHEW

Allevyn Gentle Border Sacrum Adhesive Dressing, 6-5/8" X 6-3/4"

- These dressings have a soft silicone gel adhesive which minimizes trauma to the wound at dressing change, helping to avoid patient pain without compromising care
- ALLEVYN triple-action technology maintains the optimal fluid balance to maintain a moist wound environment
- Showerproof dressing
