Correctional Training Institute Celebrates Ten Year Anniversary

New Castle, Indiana (October 12, 2010) – On Monday, October 25, 2010, the Correctional Training Institute (CTI) will celebrate its 10 Year Anniversary at its current location in New Castle, Indiana. To mark this occasion, the Indiana Department of Correction will host an Open House at CTI from 9:00 a.m. to 4:00 p.m. as well as a formal ceremony from 12:00 p.m. to 1:00 p.m., acknowledging the many accomplishments that past and present staff from the IDOC's Staff Development Emergency Operations division have achieved.

During the Open House, the IDOC will showcase the many programs and quality training space that is available at CTI and throughout the state which can be made available to other state and local agencies for their training events.

"Making our programs and space available to other agencies at no cost could result in substantial savings for the state and allows the IDOC an opportunity to forge new partnerships," stated IDOC Commissioner Edwin G. Buss

The Correctional Training Institute was established in 1973 to provide correctional staff with the knowledge and skills needed to be successful in their career with the Indiana Department of Correction. Previously, CTI was housed at separate locations in Westville and Plainfield, Indiana until they were joined in 2000. CTI has been training correctional and law enforcement staff at its current location in New Castle, Indiana since 2000.
