Department of Correction Offenders Donate to Locks of Love
Offenders at the Reception-Diagnostic Center opt to donate after mandatory haircut

Plainfield, IN – January 7, 2011 – Each day at the Indiana Department of Correction’s Reception-Diagnostic Center, inches and inches of hair is cut and swept up since, for safety and sanitation reasons, all offenders entering the intake facility must receive a haircut. Most of that hair ends up in the trash.

However, several offenders each month choose to make a difference, and donate their hair to Locks of Love. The Reception-Diagnostic Center sends the donations from approximately 20-30 offenders to Locks of Love each month.

Offenders Terry Hewitt and Dirk Gibson, both from Marion County, were two of those offenders who chose to donate their hair. “I’m just glad I could help out,” said Hewitt. Offender Gibson agreed, and said he did it to help children who lose their hair because of cancer.

Lauren Kukkamaa of Locks of Love expressed her sincere appreciation for the donations. “It’s a way to give back when other means aren’t available. We are always grateful to learn of our donors,” she said.
