

## Project **DELTA**

---

System Preview Video  
June 2021

# Project Vision Statement

**Project DELTA** will *simplify* our existing business processes, *empower* IDOC staff with the information and tools they need, and *enable* the effectiveness of our correction programs and services to help IDOC become a *modern and trusted resource* to offenders and the communities we serve while  
*“changing lives from the inside out.”*

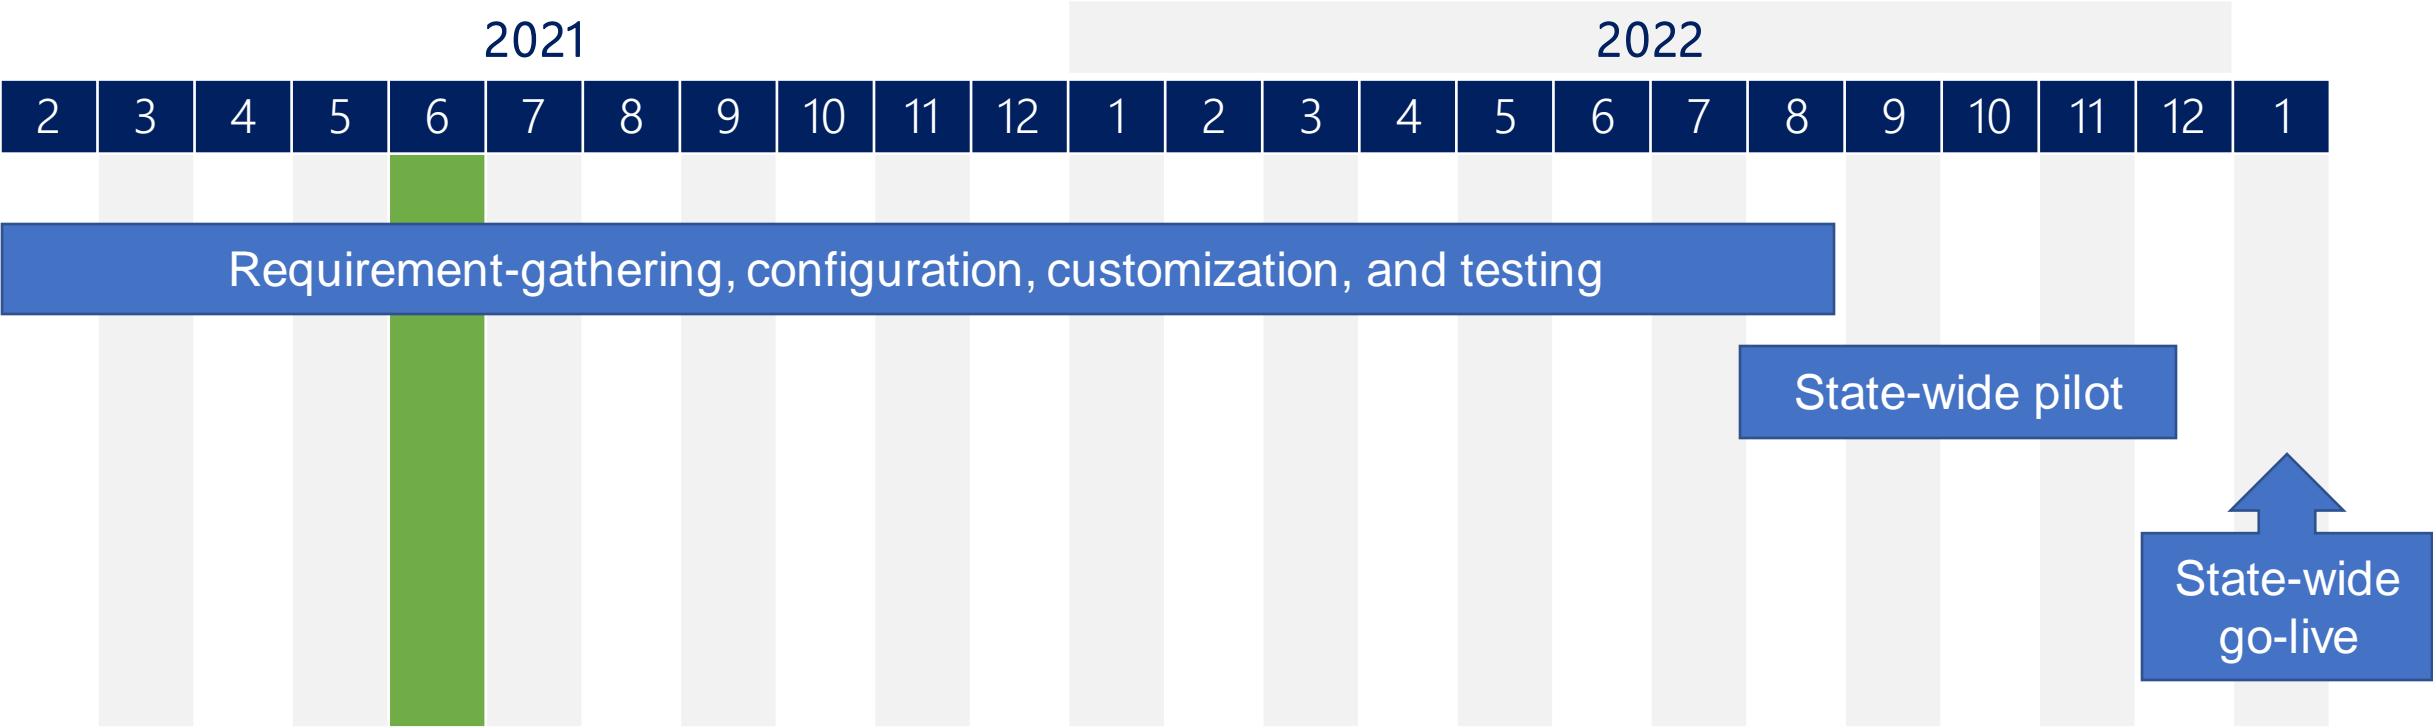

# Project DELTA will:

Replace Main Legacy Systems and Oracle Correction Systems, including:

1. OIS Offender Information System
2. JDS Juvenile Data System
3. OTS Offender Trust Fund
4. OGRE Oracle Grievances
5. OCMS Oracle Case Management System
6. CCMS Oracle Case Management for Juveniles
7. SAMS Substance Abuse
8. SIRS Sexual Incident Reporting System

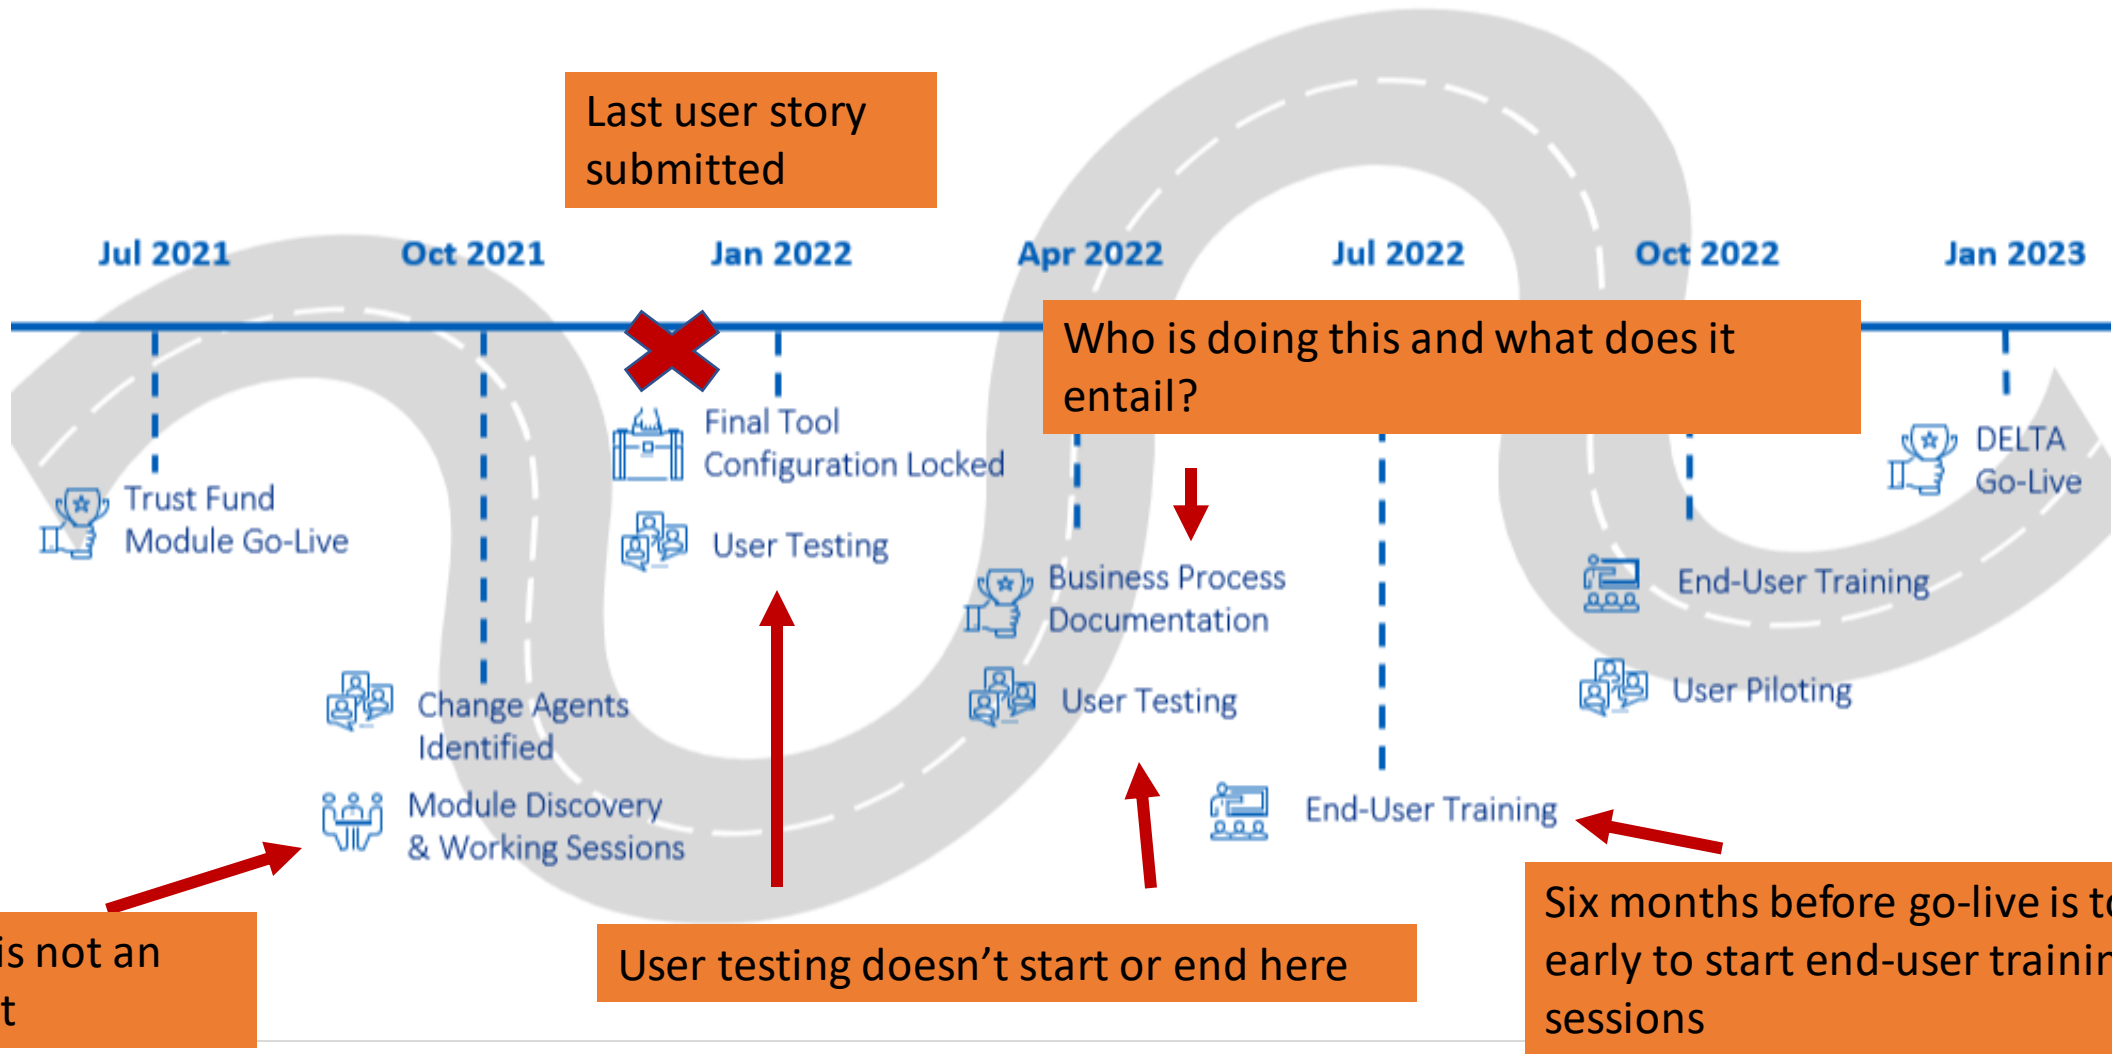

# Timeline as of June 2021

# Preview & Development Approach

The Project DELTA team uses agile methods to develop and deliver system functionality in regular three-week cycles.

This video will demonstrate some of the system functionality already delivered by the Project DELTA team.

Thank you for watching!  
Expect more details later in 2021.
