CIF Recognized Patriot Day

The Correctional Industrial Facility (CIF) held a flag raising ceremony in observance of Patriot Day. The ceremony started with CIF’s color guard commander giving a brief history of Patriot Day followed by the raising of the flags to half mast by CIF’s offender color guard. After the flags were raised a moment of silence was observed. The ceremony was attended by approximately 70 offenders and staff members.

In the United States, Patriot Day, observed as the National Day of Service and Remembrance, occurs on September 11 of each year in memory of the people killed in the 2001 September 11 attacks.

RDC's Employee of the Month

Indiana State Prison (ISP) Warden Ron Neal is pleased to announce the promotion of Elizabeth Goodwin to Correctional Case Worker. Ms. Goodwin began her employment with the Indiana Department of Correction (IDOC) on December 4, 2017. Before coming to the Department of Correction, she held the position of Caseworker with the Indiana Department of Child Services. Warden Ron Neal stated, “Elizabeth got her feet wet at ISP while serving as a Secretary for Ms. James dealing with litigation issues and public information concerns. Elizabeth holds a Bachelor’s Degree from Purdue University and will serve ISP well in her new capacity. It’s always great to be able to promote from within and see very deserving individuals such as Elizabeth further their career in the IDOC here at ISP”.

Recently Wabash Valley Correctional Facility (WVCF) Emergency Response Personnel attended the National Night Out for Greene County. The event is held annually to build the bond between the community and corrections personnel. The goal is to develop a positive relationship between those that serve to protect our communities and those that reside in them. The Emergency Response members are WVCF staff that volunteer their time to ensuring the safety of both facility staff and those in the community.

Warden Brown stated the following concerning the teams and the dedication required by the members. “The members of our Emergency Response Teams are dedicated employees that are eager to step up and take on additional duties. I appreciate these staff members volunteering to be part of National Night Out and building community relationships.”
