Quarterly Fact Sheet

This document summarizes counts of Community Corrections and supported entities over a span of 3 months. This document differs from IDOC’s Total Population Summary (TPS) publication as that is only a count of individuals under the supervision of Community Corrections by their County of Commitment and excludes CTP and Problem Solving Courts as a level of supervision.

Note: The Total Community Corrections Counts are a reflection of the Community Correction agencies from only the last month of the quarter. All quarterly reporting entity Counts reflect the number of active individuals as of the day they were submitted. For more information on submission due dates please reference section 2 of our [Procedural Bulletin](#) for each entities submission due dates.

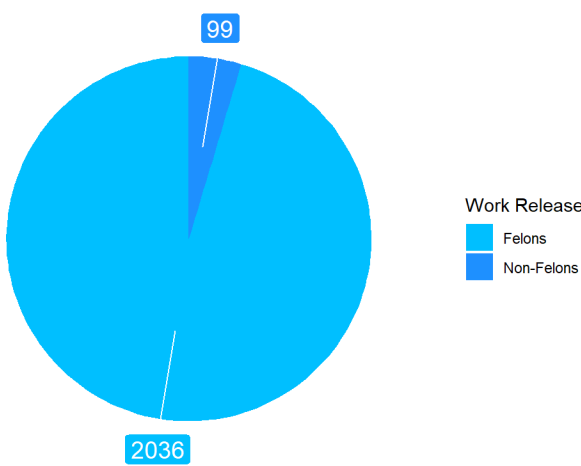

For Community Corrections Population: This is a count of the total number of individuals with an active Community Corrections Case.

For Levels of Supervision: Individuals may be on more than one Level of Supervision at a time. Due to this, some individuals may be counted under more than one category. This report shows a sum of the total number of times a Level of Supervision is utilized.

As of 2024, supporting entities (Jail Treatment, Probation, Pre-Trial, and Prosecutor’s Diversion) are only required to report the number of individuals served based on grant funding requests for the calendar year.
