October 2022 Leadership Talking Points

What do I need to know this month?

- **Change Agent Network Updates:**
 - Change Agents received the new DELTA Digital Toolkit that includes a lens for Outlook profile pictures, a DELTA Teams background image, and several Outlook signature suggestions.
 - Change Agents received the October scavenger hunt to guide their continued exploration of the UAT environment.
- **Train-The-Trainer:** Sessions for instructors will begin in November. Senior Instructors (Module Owners, SMEs and designated Testers) will lead the training sessions for our facility-level Instructors, who will in turn conduct all-staff training in January 2023.
- **DELTA Video Series:** The DELTA Video Series has officially launched and can be viewed on the DELTA Stream page [HERE](#) and include the following videos:
 - **Technical Videos:** These are short videos, that showcase the system itself and its functionality.
 - **Experiential Videos:** These are videos that feature Change Agents answering common questions and conveying the benefits of DELTA in a conversational manor.
 - **Comparison Videos:** These are side-by-side comparison videos of a particular activity or process being completed in DELTA and the corresponding legacy system that is being replaced.

What actions can I take?

- **Continue to ask your facility or parole district's Change Agents for a demonstration of the DELTA System** and hear what they explored with this month's Scavenger Hunt.
- **Explore the DELTA Video Series** on the Microsoft Stream site
- **Support Instructors** who will be participating in upcoming train-the-trainer sessions
- **Confirm** staff have received invites to all-staff training (beginning January). If they haven't, direct them to ProjectDELTA@idoc.in.gov
