## July Leadership Talking Points

### What do I need to know this month?

- **Training dates** for instructors (*train-the-trainer*) and all staff **have been finalized**. Calendar invites for the train-the-trainer sessions have been shared with participants and all staff should expect to receive their training invites in the coming weeks.
  - **Instructor training:** *There will be four, 2-day, sessions and will occur over the course of the following two weeks:*
    - November 14<sup>th</sup> – November 17<sup>th</sup>
    - November 29<sup>th</sup> – December 1<sup>st</sup>
  - **In person training for all staff will begin:**
    - Week of January 2<sup>nd</sup>
- **Change Agents** have received the following **updates to share with staff:**
  - Training Dates
  - An overview of the Project DELTA Agile Approach
  - Updates on the sentencing module and how it will impact staff when DELTA goes-live

### What actions can I take?

- **Share training dates** with your staff and ask them to keep an eye open for a calendar invite to their assigned training.
  - As a reminder, we remain committed to in-person training, and to ensuring it is impactful for all staff. With development work for key priority items currently planned to wrap in October, we have shifted training to best capture the latest system design.
    - **Reach out to CAN members with any questions you may have.** They will capture and relay them to appropriate parties.
- **Ask CAN members to share** the benefits of sentencing to your staff
- **Ask CAN members to share** how an agile approach works
