Project DELTA Download

Indiana Department of Correction

December 2022

Key Definition:

Module

The DELTA system is organized into Modules. Each module pertains to specific area of work that is performed by IDOC staff. For example, a few modules in DELTA are 'Case Management', 'Parole', 'Conduct', 'Classification', and 'Intake'. For a full list, please visit the DELTA Intranet site.

DELTA Video Series

Check out the various videos on DELTA designed to share more information with you. This series includes:

- **Technical Videos** to see the new DELTA system in action
- **Experiential Videos** featuring peers from across the agency talking about the new DELTA system
- **Comparison Videos** showcasing the similarities and differences compared to current systems

Welcome!

Welcome to the December edition of the Project DELTA newsletter - the DELTA Download! This newsletter is sent out on a monthly basis and provides updates and information on Project DELTA. We hope you enjoy!

News to Know:

Train-the-Trainer

- Train-the-Trainer was the process for training our DOC instructors who will in turn train all staff beginning in January. Over 272 instructors attended.

All Staff Training

- Beginning in January through March, all staff will attend and / or complete training. You should have received specific, individualized, instructions around your required training.
- If you have not received your training assignment or have any questions, please reach out to your facility's Training Regional Dean.

Pilot Testing

- Pilot testing is the final stage of testing for the DELTA system where specific individuals will log information in both the legacy, or current systems, and in DELTA.

All videos available on the **Project DELTA Stream Site**

Questions?

Reach out to your facility's **Change Agent Network Member** who can:

- Provide the latest information on DELTA
- Share information about Pilot Testing, Module Personas, etc.
- Share your feedback with the project team
