

# Project DELTA Download

Indiana Department of Correction

September 2022

## Key Definition:

### Pilot

Through our agile development process, DELTA is undergoing continuous testing by IDOC staff. Prior to go-live, a select group of staff will *pilot* the system by completing dual-entry activities (in both the current systems & in DELTA) to verify accuracy of data & functionality.

## Resources

Reach out to your facility's [Change Agent Network Member](#) who can:

Provide the latest information on DELTA

Connect you with the appropriate Project Team member, if needed, to answer a specific question.

Share your feedback with the project team

## News to Know

This month's DELTA Download will feature an inside look at our new experiential video series providing DOC staff with an inside look at the new DELTA system!

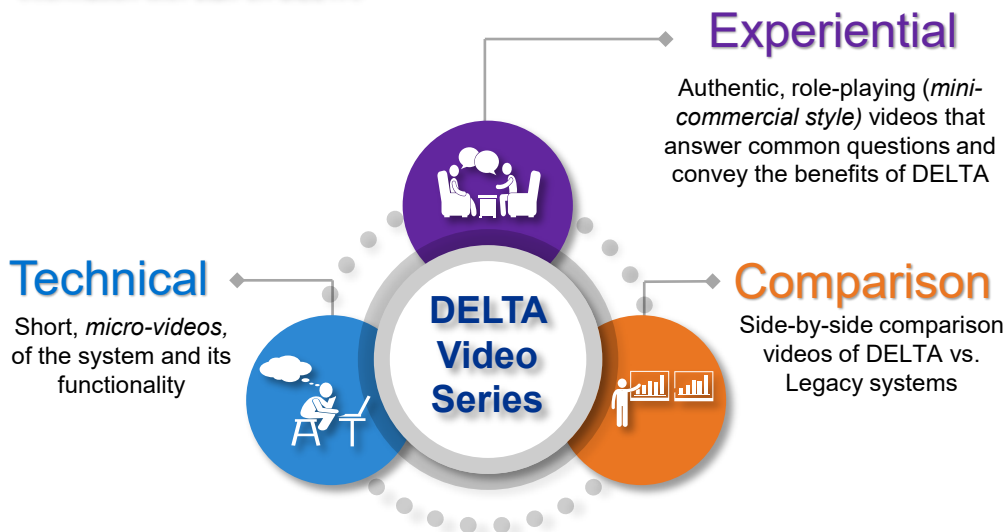

## Spotlight: DELTA Video Series

### Why a Video Series?

We hear you! Based on your feedback, and in order to answer your questions & give staff an inside look into the DELTA system, the Project DELTA team will begin releasing a video series starting later this month!

### What Is It?

The video series is made up of the following 3 types of video formats and looks to share key information with staff on DELTA.

### What Will I Learn?

Each month we will spotlight a different module / topic. In **September**, we will feature:

## Familiarizing Yourself with DELTA System Navigation

### When will the Video Series Launch?

The Technical Video Series will be releasing videos beginning later this month & extending through go-live, providing you with the latest information & an inside look into the system. The videos will be available on the Intranet site:
