Project DELTA - Module Spotlights

Each month we will **highlight the positive impacts the DELTA system will bring to each module** and in turn the benefits that staff will experience when using it.

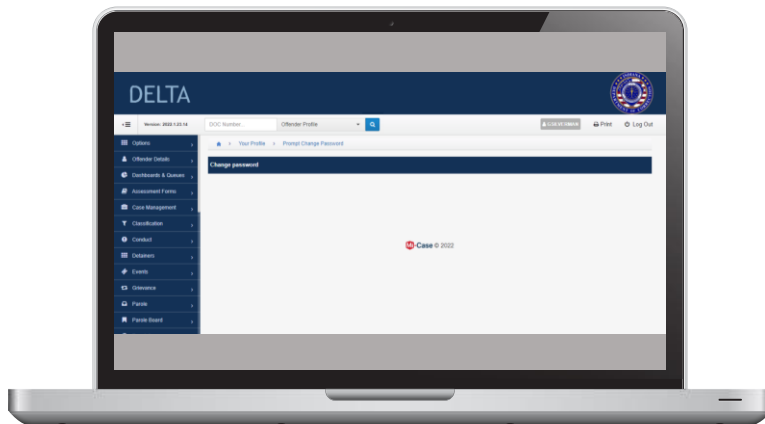

DELTA's Modules:

Investigations & Intelligence	Programs & Work	Case Management
Religious Services	Conduct	Classification
Detainers & Holds	Sentencing	Intake
Offender Grievances	Warrants	Movement
Parole Board	Visitation	Release
	PREA	Parole
	Property	Scheduling

This month, let's take a closer look at the **Programs & Work** Module!

Project DELTA – Module Spotlight: Programs & Work – *Part 1*

What benefits is DELTA bringing in the Programs & Work Module?

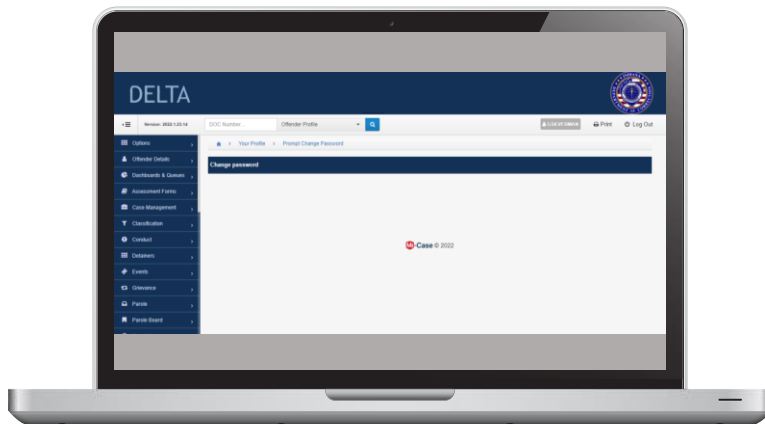

DELTA will have a **Priority List functionality** to be able to sort the Waitlist based on specific criteria

The management of **Juvenile Programs and Adult Programs** will be housed in the **same location** and updating information for participants in a program will follow the same basic process.

Project DELTA – Module Spotlight: Scheduling– *Part 2*

What benefits is DELTA bringing in the Programs & Work Module?

There will be **standard descriptions of jobs** across facilities, instead of the codes for the same program being different from facility to facility.

DELTA will **automatically send a notification** to the appropriate Caseworkers anytime an offender is enrolled in a program.
