Project DELTA - Module Spotlights

Each month we will **highlight the positive impacts the DELTA system will bring to each module** and in turn the benefits that staff will experience when using it.

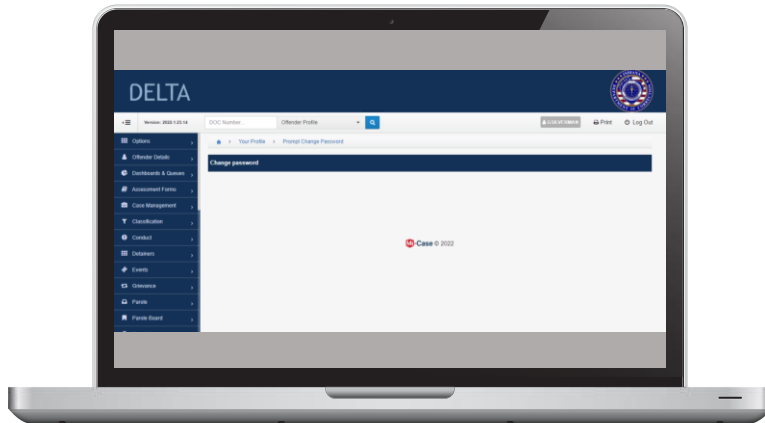

DELTA's Modules:

Investigations & Intelligence	Programs & Works	Case Management
Religious Services	Conduct	Classification
Detainers & Holds	Sentencing	Intake
Offender Grievances	Warrants	Movement
Parole Board	Visitation	Release
	PREA	Parole
	Property	Scheduling

This month, let's take a closer look at **Scheduling**

Project DELTA – Module Spotlight: Scheduling – *Part 1*

What benefits is DELTA
bringing in the
Scheduling module?

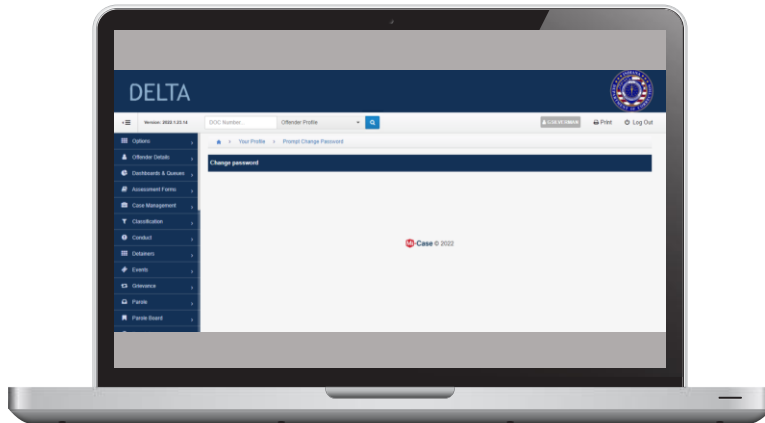

Instructors from facilities and classifications across the agency **will be trained first during a “train-the-trainer” program**, facilitated by select module owners and subject matter experts.

In DELTA, all programs will have the same **standard program code**. No longer will the code differ from facility to facility.

Project DELTA – Module Spotlight: Scheduling– *Part 2*

What benefits is DELTA
bringing in the
Scheduling module?

Staff will be able to **set priority**, in DELTA, for activities to help users and determine the best way to handle conflicts in an offender's schedule

Juvenile Only: The **Administrative Review Committee (ARC) system** for Youth Services will be accessible within DELTA and will be used to access offender schedules and set up meetings
