

Project DELTA

What is DELTA?

DELTA, the department's future Offender Management system, will replace select technology tools in place today such as OIS, JDS, OCMS, CCMS.

Going live in early 2023, the system will improve collaboration across the agency and offer opportunities for us to work together more efficiently.

Project DELTA

What is the Vision for Project DELTA?

Project DELTA will ***simplify*** our existing business processes, ***empower*** IDOC staff with the information and tools they need, and ***enable*** the effectiveness of our correction programs and services to help IDOC become a ***modern*** and ***trusted resource*** to offenders and the communities we serve while “*changing lives from the inside out.*”
