

# Indiana Department of Insurance Birth Month Conversion Chart

A simple guide...

# So, how many months will I receive when I renew or apply?

The following page contains a chart explaining when your license will convert, when it will expire, and how many months you will receive upon conversion.

To read the chart, please locate your renewal, reinstatement or issuance month on the left, and follow the grid to your birth month. This will tell you how many months you will receive at conversion. After that renewal, you will continue to renew every two years.
