

Bulletin 32

REBATING

January 26, 1976

It has come to our attention that some companies and agencies are selling policies at premium rates different than those filed and/or approved by this Department.

No policies may be sold in Indiana at other than the filed rate. Any discounts in premiums, even to employees, constitutes a rebating and as such, violates I.C. 27-1-22-18.

H. P. Hudson
