

## Administrative Record Index

**Frankfort Community Public Library Public Repository – U.S. EPA 128(a) Infrastructure  
Investment Jobs Act Grant for Cleanup  
Railroad Roundhouse  
West Clinton Drive & Short Myrtle Street, Frankfort, Indiana**

The Frankfort Community Public Library Public Repository for the referenced Site includes the following documents:

- 1.) **Indiana Administrative Code: Title 326 – Air Pollution Control Division, Article 14 - Emission Standards for Hazardous Air Pollutants, Rule 10 – Emission Standards for Asbestos Demolition and Renovation Operations (326 IAC 14-10)** – provides regulatory guidance on applicability, definitions, notification requirements, asbestos emission control, and demolition and renovation fees in regards to asbestos-containing materials (ACMs), effective January 1, 2013.
- 2.) **Site Investigation Reports** – Chronological listing of pertinent environmental reports prepared for the Site based on information obtained from historical document review on the Indiana Department of Environmental Management (IDEM) Virtual File Cabinet (VFC):
  - a. **Phase II Environmental Site Assessment Report** (VFC Document No. 83835121) - Summary of analytical results from an asbestos survey conducted on the roundhouse and onsite supporting structures, dated January 14, 2013.
  - b. **Pre-Demolition Asbestos Survey Final Report** – Summary of analytical results from an asbestos survey conducted on the roundhouse and onsite supporting structures, dated January 21, 2025.
  - c. **Asbestos Survey** (VFC Document No. 83945439) – Summary of analytical results from an asbestos survey conducted on the roundhouse and onsite supporting structures, dated March 12, 2026.
- 3.) **Analysis of Brownfield Cleanup Alternatives (ABCA)** – Outlines abatement and environmental management alternatives and recommended remedial action for the Site based on the previous asbestos surveys, dated June 2026.
- 4.) **Remediation Work Plan (RWP)** – Outlines the asbestos abatement plan for the Site based on the ABCA and historical environmental assessments, which determined ACMs were utilized in the roundhouse and onsite supporting structures, dated June 5, 2026.
- 5.) **National Historic Preservation Act (NHPA) Review** – The Section 106 Review request was submitted to the Indiana Department of Natural Resources, Division of Historic Preservation and Archaeology on April 21, 2026. State Historic Preservation Office (SHPO) issued their findings dated June 16, 2026, concluding that no historic buildings, structures, districts, objects, or archaeological resources on or near the Site are to be affected by remedial activities. The U.S. EPA’s finding, dated June 11, 2026, concurs with the SHPO finding.
- 6.) **Decision Memo(s)** – Open
- 7.) **Remediation Completion Report** – Open
- 8.) **Program Verification of Remediation Completion** - Open
