FILED

Name of Agency: Indiana Department of Homeland Security (IDHS)
Name of Recipient: Roger Boillard
Title of Recipient: Assistant Section Chief of Boiler and Pressure Vessel Section

Description of the Gift: Due to his membership on the National Board of Boiler and Pressure Vessel Inspectors, Mr. Boillard has been invited to attend the National Board's General Meeting and the American Society of Mechanical Engineers' Boiler and Pressure Vessel Code Week in New Orleans, Louisiana from April 30, 2022 through May 6, 2022. The National Board has offered to pay for Mr. Boillard's airfare, hotel, and some meals, with an approximate value of \$2,300.00.

Date of Receipt: April 30, 2022 – May 6, 2022

Name of Donor: National Board of Boiler and Pressure Vessel Inspectors

Donor's Address: 1055 Crupper Avenue, Columbus, OH 43229

Nature of Business Relationship with Agency: IDHS pays \$35.00 annually for Mr. Boillard's National Board Commission Card, which verifies his National Board certification.

Public Interest: Accepting this gift is in the public's interest because, during this meeting, Mr. Boillard will participate in discussions regarding updates to the code and inspection methods, as well as potential future changes, which he can then bring back to IDHS and train the other Boiler and Pressure Vessel Section staff members. He will also have the opportunity to network with boiler and pressure vessel chiefs and inspectors from all over the country, which is valuable because boilers and pressure vessels often come into Indiana from other states. Networking is also helpful for resolving issues that may be novel in Indiana but have come up in other states. The overall impact of Mr. Boillard's attendance would be an improvement in IDHS's ability to inspect and regulate boilers and pressure vessels throughout Indiana, thereby improving public safety.
