GIFT WAIVER FOR JASMINE DRAPER

Name of Agency: Indiana Department of Homeland Security (IDHS)

Name of Recipient: Jasmine Draper

Title of Recipient: Boiler Inspector

Description of the Gift: Due to her membership on the National Board of Boiler and Pressure Vessel Inspectors, Ms. Draper has been invited to attend the National Board's General meeting in Salt Lake City, Utah May 11-14, 2025. The National Board has offered to pay for Ms. Draper's travel, hotel, and meals, with an approximate value of \$1,500.00.

Date of Receipt: May 11, 2025 – May 14, 2025

Name of Donor: National Board of Boiler and Pressure Vessel Inspectors

Donor's Address: 1055 Crupper Avenue, Columbus, OH 43229

Nature of Business

Relationship with Agency: IDHS pays \$35.00 annually for Ms. Draper's National Board Commission Card, which verifies her National Board certification.

Public Interest: Accepting this gift is in the public's interest because, during this meeting, Ms. Draper will participate in discussions regarding updates to the code and inspection methods, as well as potential future changes, which she can then bring back to IDHS and train the other Boiler and Pressure Vessel Section staff members. She will also have the opportunity to network with boiler and pressure vessel chiefs and inspectors from all over the country, which is valuable because boilers and pressure vessels often come into Indiana from other states. Networking is also helpful for resolving issues that may be novel in Indiana but have come up in other states. The overall impact of Ms. Draper's attendance would be an improvement in IDHS's ability to inspect and regulate boilers and pressure vessels throughout Indiana, thereby improving public safety.
