INDIANA DEPARTMENT OF HOMELAND SECURITY

GIFT WAIVER FOR PETER SETTLE

FILED

OCT 26 2026

INDIANA STATE ETHICS COMMISSION

Name of Agency:	Indiana Department of Homeland Security (IDHS)
Name of Recipient:	Peter Settle
Title of Recipient:	Chief Inspector, Boilers and Pressure Vessels
Description of the Gift:	Due to his membership on the National Board of Boiler and Pressure Vessel Inspectors, Mr. Settle has been invited to attend the National Board's General meeting in Honolulu, Hawaii, May 9-12, 2027. The National Board has offered to pay for Mr. Settle's registration, travel, hotel, and meals, with an approximate value of $4,100.
Date of Receipt:	May 8, 2027 – May 14, 2027
Name of Donor:	National Board of Boiler and Pressure Vessel Inspectors
Donor's Address:	1055 Crupper Avenue, Columbus, OH 43229
Nature of Business Relationship with Agency:	IDHS pays $95.00 annually for Mr. Settle's National Board Commission Card, which verifies his National Board certification.
Public Interest:	Accepting this gift is in the public's interest because, during this meeting, Mr. Settle will participate in discussions regarding updates to the code and inspection methods, as well as potential future changes, which he can then bring back to IDHS and train the Boiler and Pressure Vessel Section staff members. This is especially timely, as the Fire Prevention and Building Safety Commission will be dissolved in 2027, resulting in IDHS's Boiler and Pressure Vessel Section taking on additional responsibilities regarding administering and proposing amendments to the code. He will also have the opportunity to network with boiler and pressure vessel chiefs and inspectors from all over the country, which is valuable because boilers and pressure vessels often come into Indiana from other states. Networking is also helpful for resolving issues that may be novel in Indiana but have come up in other states. The overall impact of Mr. Settle's attendance would be an improvement in IDHS's ability to inspect and regulate boilers and pressure vessels throughout Indiana, thereby improving public safety.
