ETHICS COMMISSION

AMENDED GIFT WAIVER

Name of Agency or Office: Office of Management and Budget (OMB)

Name of Recipient: Noah Shelton

Title of Recipient: Chief of Staff

Brief Description of Item Solicited, Accepted, or Received and approximate value of item:

Gartner IT Symposium/XPo registration fee ($6,000)

Food, Beverages, Entertainment (unknown)

Date of Receipt: October 18 -22, 2026

Name of Donor: Gartner, Inc.

Donor's Address: 56 Top Gallant Road, Stamford, CT 06902 USA

Nature of Business Relationship with Agency: OMB engaged Gartner to do an occupational licensing review and report from the fall of 2025 through early 2026. Currently, OMB has no direct contracts with Gartner. To be conservative based on prior OIG advice, OMB is filing this waiver because certain agencies in the OMB vertical, such as IDOA and IOT, have contracts with one or more Gartner entities.

State Why Acceptance is in the Public Interest: Under Secretary Hershman's supervision, Noah serves as the enterprise coordinator across OMB's 14-agency vertical, leads cross-agency execution,

oversees enterprise risk/audit/FWA programs, harmonizes legislative and executive order strategy, and coordinates statewide modernization initiatives. In addition, he centrally coordinates performance dashboards and conducts monthly engagement with Chiefs of Staff across all verticals statewide—ensuring cross-vertical alignment, issue escalation, operational follow-through, and enterprise consistency. The Gartner Symposium provides mission-critical insight into enterprise governance, AI operationalization, modernization architecture, performance measurement, and inter-government benchmarking. Gartner will also connect me with resources and Chief-level peers in other states, allowing Indiana to integrate best practices across verticals.
