**Why Acceptance is in the Public Interest:** Dr. Kopp is the Director of the Avian Health Division at the Board of Animal Health. The primary method by which the Board regulates avian health in the state is through participation in the National Poultry Improvement Plan (NPIP). Dr. Kopp serves as Indiana's delegate to NPIP meetings. Important avian health policy issues will be discussed at these meetings that will directly affect the Board of Animal Health programs and the poultry industry in the state. Dr. Kopp's participation at these meetings is directly related to his duties at the BOAH. BOAH and ISPA interests in these issues are not adverse.
