Suite 1600 - East Tower

Indianapolis, IN 46204

Dear Ms. Tait:

Pursuant to IC 4-22-2-28, the Indiana Economic Development Corporation ("IEDC") has reviewed the economic impact analysis for small business associated with rule changes contained in LSA Document 11-780 and proposed by the Indiana Gaming Commission ("IGC"). The proposed rule amends 68 IAC 6-3 concerning definitions, to clarify the process and application for a request for voluntary exclusion, to update the voluntary exclusion program terminology, and to clarify the process for requests for removal.

The economic impact statement prepared by the IGC indicates that no casino licensees meet the definition of a small business and consequently, no small businesses would be affected by the proposed rule.

The IEDC does not object to the economic impact to small businesses associated with the proposed rule. If you have any questions about the comments contained herein please contact me at 234-3997 or [eshields@iedc.in.gov](mailto:eshields@iedc.in.gov).

Regards,
