BUSINESS MEETING

June 2, 2011
Indiana Government Center South Auditorium
Indianapolis, Indiana

Call to Order and Roll Call:
Chairman Timothy Murphy called the meeting to order at approximately 12:34 p.m. local time. A quorum was present.

Present:
Commission Members: Tim Murphy, Chairman, Tom Swihart, Vice Chairman, Mary Shy, Robert Morgan, Marc Fine, Secretary, and Sue Shields. Commission Staff: Ernest E. Yelton, Adam Packer, Jennifer Reske, Chris Gray, Lea Ellingwood, Kesha Rich, Jeff Neuenschwander, Joe Hoage, Derek Young, Julian Agnew, Sherry Green, Kenny Rowan, Diane Freeman, Larry Rollins, Garth Brown, Danielle Leek, David Highfill, Jeffrey Kirk, Mike Roberts, Alex Gillham, Rob Hunt, Angela Bunton, Andy Means, Justin Armstrong, Tami Timberman-Wright, and members of the public.

Approval of the Minutes:
Upon motion by Mary Shy, second by Tom Swihart, and unanimous vote of those present, the Commission approved the proposed minutes of the March 17, 2011, business meeting.

Report of the Executive Director:
The Executive Director gave the following report. The deaths of two gaming legends, Bill Cook and Don Barden, were acknowledged. A moment of silence was observed in their remembrance.

In the staff report, David Highfill, Jeffrey Kirk and Mike Roberts are the newest Background Financial Investigators for the Commission. Alex Gillham and Rob Hunt are serving as interns with the Gaming Commission.

Since the March commission meeting, IGC staff has added 22 individuals to the Exclusion List, which effectively and permanently bars those patrons from entering any casino in Indiana. Of those 22, eight were placed on the exclusion list for either past-posting or pinching their bets while at an Indiana casino; 12 were placed due to either taking illegal possession of a TITO, casino chips, or U.S. Currency in excess of approximately $500 or making fraudulent cash withdrawals while at an Indiana casino. The remaining two individuals were placed on the exclusion list for the following: Stephen Blandford was observed removing cards from the table after playing Mississippi Stud Poker at the Horseshoe Southern Indiana Casino. Blandford was charged with Theft in the Harrison County Superior Court. Stephen Walker was observed while employed as a Dealer at the Horseshoe Hammond Casino flashing cards to patrons while dealing.
Blackjack in exchange for increased tips. Walker was terminated from Horseshoe Hammond. For the year 2011, the IGC has placed 35 patrons on the Exclusion List, bringing the total to 245 individuals who are barred from Indiana casinos and racinos.

The Background and Financial Investigations Division has completed its reinvestigation of supplier licensee Patriot Gaming.

The four bills involving the Gaming Commission were sent directly to Governor Daniels for signature without intervention of a conference committee. The most significant initiative for the commission was SEA 325 which codified the IGC’s emergency rules on local development agreements. The bill contained an emergency clause which allowed it to become effective upon signing. SEA 36 modified restrictions of racino ownership. Effective July 1, the same person or entity is eligible to own both Hoosier Park and Indiana Downs as permit holder and casino licensees. SEA 47 was proposed by the Indiana Casino Association and was based upon the findings of the 2009 interim gaming study commission. The Commission is now empowered to grant requests from riverboats to become permanently moored vessels without marine crews or navigational systems. The Commission may also sanction special land based card tournaments on the riverboat’s footprint and in compliance with any imposed requirements for conducting the tournament. Finally, there are some ATC alcohol statutes that are relaxed for casinos that do not directly involve the IGC. SEA 340 was what has become an annual charity gaming bill. It creates voluntary ticket agents that permit non members the ability to sell raffle tickets in a prescribed manner under the oversight of and reporting to the IGC. Credit cards may now be lawfully used to purchase other items at an event but are still forbidden to be used for the gaming event itself. Festivals may now extend for five days rather than the previous limit of four. Proceeds from related events are now exempt from the calculation for re-licensing fees. Finally, a summer study committee will consider a comprehensive list of charity gaming issues. The Executive Director will be a non-voting member of the committee.

Waiver of Rules and Regulations:

**Blue Chip:** Approved request to place dedicated coverage on progressive displays showing incrementation when the display reads less than $40,000. The revenue audit department will be responsible for daily verification of the incremented amounts.

**Hollywood:** Granted a waiver allowing US coin to be used at the table games.

**Horseshoe Southern Indiana:** Granted request to allow a Security Officer to participate in the bill validator drop as a runner only. Once designated as a runner the Security Officer will continue that role until the end of the drop process. Security Officers will also be allowed to place the empty bill validator boxes on the casino floor. While doing either function the security officers will be allowed to remain in their security uniform. Security Officers will participate in these positions only when needed.

**Majestic Star:** Granted relief from the requirement that surveillance note the time and date on the photograph taken for an MTL, sign the photograph and forward it to the appropriate casino employee. Also granted relief from surveillance notifying the appropriate employee that an
acceptable photograph has been taken. The relief is being granted due to the casino installing photo printers in cages and table game pit areas on the casino floor.
