

ORDER 2011-259
REGARDING CUT THROAT MMA, LLC
PROMOTER LICENSE RENEWAL APPLICATION

On October 26, 2010, the Commission issued Cut Throat MMA, LLC ("Cut Throat") a promoter's license under which it held a number of professional mixed martial arts events, including one on May 21, 2011, at Hammond, Indiana. On September 14, 2011, Cut Throat submitted a renewal promoter's application.

Commission staff subsequently discovered that Cut Throat was an active participant in the falsification of medical paperwork submitted to the Commission for purposes of obtaining its permit to conduct the May 21, 2011 event.

Commission staff believes that the nature of Cut Throat's actions makes it unsuitable for licensure. Accordingly, Commission staff recommends that the Commission deny the renewal for a promoter's license for Cut Throat MMA, LLC.

COMMISSION ACTION

After reviewing the foregoing and in accordance with IC 4-33-22 and LSA #11-559(E), the Commission hereby:

APPROVES

the denial of Cut Throat MMA, LLC's license application.

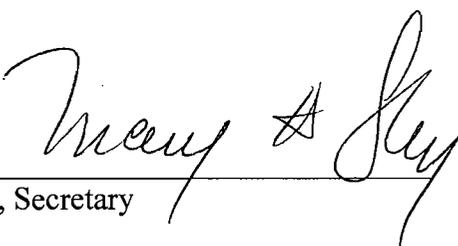

IT IS SO ORDERED THIS THE 10th DAY OF NOVEMBER, 2011.

THE INDIANA GAMING COMMISSION:

Timothy Murphy, Chair

ATTEST:

Mary Shy, Secretary
