

ORDER 2012-188

**RATIFYING THE PREVIOUSLY AWARDED INTERIM WAIVER AND APPROVAL
OF THE DEBT ACTIVITY PROPOSED BY NEW CENTAUR**

Pursuant to IC 4-33-4-21 and 68 IAC 5-3-2, the Indiana Gaming Commission ("Commission") reviews proposed debt transactions to analyze the financial health of riverboat licensees and to ensure that a riverboat owner's license is not leased or hypothecated, and that money is not borrowed or loaned against a riverboat owner's license.

The Commission has considered the following factors:

1. Centaur Holdings, LLC, and New Centaur, LLC, ("New Centaur") through counsel, requested Commission approval to undertake debt activity that would be subject to IC 4-33-4-21 and 68 IAC 5-3 regulation, along with a waiver of the applicable procedural requirements set forth in 68 IAC 5-3.
2. New Centaur sought to undertake debt activity, and explained the details thereof in confidential documents to the Commission.
3. In accordance with Resolution 2008-74, after analyzing the proposed activity, consulting with Commission financial investigator Dan Roberts, and receiving the requisite concurrence from Chairman Murphy, Executive Director Ernest Yelton issued an interim approval and waiver of 68 IAC 5-3-2, via letter dated September 4, 2012.
4. Subject to certain enumerated and continuing conditions, the September 4th letter authorized New Centaur to close on the proposed activity without receiving prior approval from the full Commission and without satisfying the "two meeting requirement" of 68 IAC 5-3-2(b)(2) and (3).
5. Resolution 2008-74 requires that Executive Director Yelton's interim approval and waiver be reported to the full Commission at the next business meeting held under 68 IAC 2-1-5. Additionally, 68 IAC 5-3-7 requires that such waiver be reported to the Commission in order that it may direct the Executive Director to take additional or different action.

Based on the foregoing, the Commission hereby **RATIFIES** the Executive Director's September 4th, 2012 interim approval and waiver.

IT IS SO ORDERED THIS THE 15th DAY OF NOVEMBER, 2012.
