The Indiana Gaming Commission ("Commission") by and through its Executive Director Sara Gonso Tait and IGT (collectively, the "Parties") desire to enter into this settlement agreement ("Agreement") prior to the initiation of a disciplinary proceeding pursuant to 68 IAC 13-1-18(a). The Parties stipulate and agree to the following:

FINDINGS OF FACT

COUNT I

- 1. Chapter 7, Section 1(a) and (b) of the Emergency Rules for Sports Wagering provides that before accepting wagers on any event category from patrons, a sports wagering operator must receive event category approval from the executive director or the executive director's designee. The sports wagering operator shall provide notice to the executive director or the executive director's designee and such notice shall include the name of the sport's governing body and a description of its policies and procedures regarding event integrity. The commission reserves the right to prohibit the acceptance of any wagers, and may order the cancellation of wagers and require refunds on any event for which wagering would be contrary to the public policies of the state.
 - (b) The commission will post approved event categories to its website.
- 2. On July 23, 2019, the Commission issued a directive on approved events for sports wagering which indicated that collegiate events shall be limited to NCAA Division I sports.
- 3. On November 27, 2019, FanDuel's Director of Risk and Trading notified the Commission that a Division I vs Division II men's college basketball game had been offered. The game offered was Kansas (Division I) vs Chaminade (Division II).

COUNT II

- (5) The date and time that the vendor or visitor exits the casino. The casino licensee is responsible for instituting a policy that ensures that vendor and visitor badges are returned to the security department and accounted for when the vendor or visitor exits the casino.
- (6) If the person is a visitor, the individual who authorized the visitor's presence in the casino.
- (7) Any other information deemed necessary by the executive director or the commission to ensure compliance with IC 4-33, IC 4-35, and this title.
- 6. On January 24, 2019, the Commission issued a memorandum to all casino licensees on occupational licenses. The memorandum states vendor or visitor badges are not to be utilized by those who hold or should hold an occupational license. Per the memorandum if individuals who hold or should hold an occupational license attempt to access the gaming floor using a vendor or visitor badge, casino staff should assist in the matter by refusing entry and directing the individuals to local Gaming Agents for assistance.
- 7. On October 1, 2019, a Gaming Agent performed an inspection of the vendor log at Blue Chip Casino for September 2019 and identified the following violations.
- 8. On September 1, 2019, an IGT employee obtained a vendor's badge. The log did not note his Commission occupational license number and the IGT employee did not obtain and/or wear his Commission issued badge while on property.
