History of Indiana Charity Gaming

In June 1992, the Indiana Department of Revenue was given the responsibility of enforcing charity gaming laws in Indiana. Only qualified nonprofit organizations can legally conduct charity gaming events in Indiana. These gaming events are limited to bingo, charity game nights, door prizes, festival events, raffles, and the sale of pull tabs, punchboards, and tip boards. Organizations must be licensed and registered for each type of charity gaming event they want to conduct.

Which Organizations Qualify?

An organization may conduct legal charity gaming events if it is a bona fide educational, religious, senior citizen, veteran, or civic/fraternal/charitable organization operating in Indiana, and is exempt from taxation under Section 501 of the Internal Revenue Code (IRC).

The nonprofit organizations eligible to engage in Indiana charity gaming events are defined in Title 4, Article 32, of the Indiana Code. A brief description of these organizations is as follows:

Civic Organization

A bona fide civic organization branch, chapter, or lodge of a local, national, or state organization that is nonprofit and primarily operated for charitable, civic, or fraternal purposes.

Educational Organization

A bona fide educational organization that is nonprofit, whose primary purpose is educational in nature, and is designed to develop the capabilities of individuals by instruction in public or private elementary and secondary schools, as well as colleges and universities.

Political Organization

A bona fide political organization, committee, fund, party, or other organization that is established and operated for either directly or indirectly accepting contributions and making expenditures for an exempt purpose (as defined in Section 527 of the Internal Revenue Code). These organizations are the Democratic Party, Republican Party, Independent Party, etc.

Note: A political candidate's committee is not a political organization by this definition.

*For FY04,
2,193 licenses
were issued to
qualifying
organizations.
This is eight
fewer than
FY03.*

Religious Organization

A bona fide religious organization, church, or body of communicants operating on a nonprofit basis and primarily for religious purposes. The organization must operate under Section 501 of the Internal Revenue Code and provide written documentation as such.

Senior Citizens Organization

A bona fide senior citizen organization that is nonprofit and has at least 15 members who are at least 60 years old. The purpose of the organization is to advance and support the causes of the elderly and retired persons.

Veterans Organization

A bona fide veterans local organization, or a branch, chapter, or lodge of a national or state organization that is nonprofit, chartered by the United States Congress, and whose members are or were in the United States Armed Forces. The purpose of the organization is for the mutual advancement and support of the organization's membership and patriotic causes.

All organizations meeting one of the preceding requirements also must have been in active and continuous existence for at least 5 years, or be affiliated with a parent organization that has been in existence and operating for at least 5 years. Except where a qualified organization or its affiliate is having a convention or other annual meeting of its membership, charity gaming events may only be conducted in the county where the Indiana principal office is located.

Any hospital licensed under IC 16-21, a health facility licensed under IC 16-28, or a psychiatric facility licensed under IC 12-25, may conduct charity gaming events under certain circumstances.

Being exempt from taxation under Section 501 of the Internal Revenue Code does not ensure that an organization is eligible to conduct legal charity gaming events. The types of organizations that do not qualify include federal credit unions, pension trusts, and generally those established primarily for literary, scientific, and social purposes.

*Contracting with
an individual or
group to operate a
gaming event on a
qualified
organization's
behalf is a Class D
felony.

What Are Legal Charity Gaming Activities?

Qualified nonprofit organizations may conduct certain types of legal charity gaming activities in Indiana. These activities include bingo, door prizes, raffles, as well as the sale of pull tabs, punchboards, and tip boards. Charity game nights and festival events are also covered. Individuals participating in licensed events must be at least 18 years old.

Bingo

A bingo game is played with regulation bingo cards, pads, or sheets. A player covers the numbers that are called out by the announcer. The winner of each game is the player who is the first to properly cover the announced pattern of squares on the bingo surface.

Door Prizes

A door prize is awarded to a person based solely upon the person's attendance at an event, or the purchase of a ticket to attend an event.

Raffles

A raffle is the selling of chances or tickets to win a prize awarded through a random drawing.

Pull Tabs

A pull tab is either a single, folded, banded ticket, or a two-ply card with a perforated break-open tab that has a hidden symbol that determines the winner. The prize must be fully described on the inside of the ticket.

Punchboards

A punchboard is a board or card that contains a grid or sections that hide the random opportunity to win a prize based on the results of punching a single section to reveal either a prize amount or a symbol.

Tip Boards

A tip board is a game of chance board or placard with a hidden winning number or symbol in each column.

Organizations operating illegal gaming devices will be taxed on the income from these activities, regardless of their nonprofit status.

Slot and poker machines are forms of illegal gambling devices unless on a licensed riverboat casino. (Riverboat gambling is regulated by the Indiana Gaming Commission.)

Charity Game Nights

This permits the licensee to conduct a card game, a dice game, a roulette wheel and a spindle (wheel of fortune style) game, along with door prize drawings and the sale of pull-tabs, punchboards and tip boards. An organization is limited to holding four charity game nights per calendar year.

Festival Events

This permits the licensee to conduct bingo games, charity game night, one raffle, door prizes and the sale of pull tabs, punchboards and tip boards at the festival. A festival can only be held once a calendar year and cannot exceed four consecutive days.

Seminars

Education is one of the major missions within the Department of Revenue, and the Charity Gaming Section spends a great number of man-hours to that end. During Fiscal Year 2004 three educational seminars were conducted around the State, not as mere “meet and greet” sessions, but with an emphasis on education. Important topics such as nonprofit legislative changes, rules and regulations, and bookkeeping, among others, were discussed by the Section’s staff.

The three full-day seminars were well received and attended by the nonprofit groups. They have proven to be a valuable tool in helping groups understand and comply with the Indiana codes and regulations. Three additional seminars were planned for the Fall of 2004 (prior to the printing of this report) in Lafayette, Jasper and Muncie

Administrative Highlights 2004

The Charity Gaming Section of the Indiana Department of Revenue was created to administer charity gaming laws. This section, along with field investigators from the Criminal Investigation Division, strives to see that licensed organizations are operating within charity gaming laws and regulations. Under IC 4-32-10-6, the Indiana Department of Revenue is required to remit charity gaming surplus revenue into the “Build Indiana Fund”. This revenue is generated by license fees, as well as excise taxes and penalties. The Department deposited \$3,000,000 into this fund during fiscal year 2004.

*The
Department
transferred
\$3,000,000
into the Build
Indiana Fund.*

Taxpayer Assistance

During Fiscal Year 2004, the Charity Gaming Section assisted 214 taxpayers in the walk-in assistance center, and answered 23,909 phone calls, compared to 18,249 phone calls in Fiscal Year 2003.

Form Revision

The Department has created the following forms for the organizations to use: CG-2R - Annual Renewal Bingo License Application, CG-2 - Annual Bingo License Application, CG-3 - Single Event License Application, CG-8 - Annual Bingo License Financial Report, CG-AEL - Application for Exemption Letter for Non-Licensed Event, CG-INV - Operator/Worker Ending Inventory Statement, and CG-UP - Use of Proceeds.

Biannual Newsletter

In a continuing effort to communicate and educate nonprofit organizations on the State codes and regulations, the Charity Gaming Section produces a biannual (April and October) newsletter. These issues not only have regular features such as calendar of events and handy phone numbers, but also articles on tax court findings, investigations and basic rules important to the Indiana charity gaming community. The organizations are encouraged to call, write or email questions or suggestions for future issues.

Legislation

The 2004 Indiana General Assembly enacted two pieces of legislation relating to charity gaming:

House Enrolled Act 1365

Effective July 1, 2004, the total prizes awarded for one pull tab, punchboard, or tip board game may not exceed \$5,000. This is an increase from the previous limitation of \$2,000.

In addition, there has also been an increase in the maximum single prize for one winning ticket in a pull tab, punchboard or tip board to \$599. The previous amount was \$300.

The maximum selling price for one ticket for a pull tab, punchboard or tip board game remains at one dollar (\$1.00).

House Enrolled Act 1042

Since 1995, state statutes have required that if 90% or more of an organization's total income from all sources is derived from charity gaming, the organization must donate at least 6 percent of its charity gaming income (less prize payouts) to other qualified organizations. The qualified organization receiving the money cannot be an affiliate of the organization donating the money.

The new law defines a "qualified recipient" and allows certain entities to receive money under these circumstances regardless of whether they could be considered an affiliate. Included in this category are: Specified hospitals, medical centers health facilities and psychiatric facilities; charitable programs and/or substance abuse activities/programs sponsored by local law enforcement agencies; and any organization the Department has already classified as a "qualified organization" who could conduct charity gaming. Also included in the list of qualified recipients is a veterans' home, which specifically is defined as the Indiana Veterans' Home, the VFW National Home for Children and the Indiana Soldiers' and Sailors' Children's Home.

Statistics

Every organization that holds a charity gaming license is required to file a financial report for each license. The following statistics are based on financial reports which were received during the State of Indiana's 2004 Fiscal Year (July 1, 2003 through June 30, 2004). An organization cannot receive successive gaming licenses until it has filed a financial report for its previous event.

Financial Information by County

The following information is a breakdown of individual organizations by county. The information was obtained from all Forms CG-8, Annual Bingo Financial Reports, and Forms CG-9, Single Event Financial Reports, received during Fiscal Year 2004. The number of licenses issued during the fiscal year may differ from the number of financial reports actually received during the fiscal year due to licenses being issued prior to the event.

Information pertaining to nonprofit organizations is available for public inspection according to IC 6-2.1-8-4. This includes all applications for exemption and all annual reports filed by the nonprofit organizations under IC 6-2.1-3-19, IC 6-2.1-3-20, IC 6-2.1-3-21, and IC 6-2.1-3-22, which also includes information on the above-mentioned forms.

Some organization names may appear more than once in the following listings for any of the following reasons:

- More than one type of charity gaming license may be held at a time; and,
- An unlimited number of door prize, raffle, and special bingo licenses may be issued to organizations during the same year, as long as all required applications and fees have been received and approved by the Indiana Department of Revenue; and,
- The organizations were late in filing or filed amended financial reports for the previous year.
