SETTLEMENT AGREEMENT

The Indiana Gaming Commission ("Commission") by and through its Executive Director Joe B. Hoage and Ainsworth Game Technology, LTD. ("Ainsworth"), (collectively, the "Parties") desire to settle this matter prior to the initiation of a disciplinary proceeding pursuant to 68 IAC 13-1-18(a). The Parties stipulate and agree to the following:

FINDINGS OF FACT

1. 68 IAC 2-6-2(a) requires that the following may not be used for gaming by any casino licensee prior to the executive director, or the executive director's designee, authorizing their inclusion in the commission's online database of approved items and technologies: (1) Electronic gaming devices (EGD) and any component parts material to gaming activity, including, but not limited to, the following: (A) Random number generators. (B) All game media. (C) Progressive controllers. (D) Bill changers.
2. 68 IAC 17-1-3 A casino licensee, casino license applicant, or supplier licensee shall use the commission's electronic gaming device database as prescribed by the commission.
3. In accordance with 68 IAC 17-1-2(a) and 68 IAC 17-1-3, when shipping an item approved under 68 IAC 2-6-2, the supplier is required to provide the Commission with an accurate inventory of each item to be shipped and delivered, including each item's identification code in the Commission's Electronic Gaming Device System ("EGDS").
4. On March 9, 2026, Gaming Agents were completing the slot shipments in the EGDS system with Slot Technical Supervisor, Ian McCullum. When verifying the software for EGS Shipment 48972, it was perceived that there were apparently multiple discrepancies (Three (3) JS00A023 ordered and Zero (0) received, One (1) GDIN7H1G.RAW V1G ordered and two (2) received, One (1) GDIN711C.RAW V1C ordered and two (2) received, Two (2) GDINDU1A.RAW V1A ordered and four (4) received, Two (2) JS01A022.RAW V22 ordered and four (4) received, Four (4) W10X642C.RAW V2G ordered and eight (8) received,

and Two (2) IS0DZ0A5.RAW VA4 ordered and four (4) received). Once the discrepancies were found, it was rejected.

5. On March 10, 2026, Mccullum contacted Gaming Agents and stated that Ainsworth Game Technology stated that the items that were shipped were correct and should have been entered into EDGS. Mccullum included two (2) attachment letters from Ainsworth and stated this was the paperwork he used to complete the EGDS entry. Mccullum stated that he was not familiar with this format of notification and did not realize he needed to account for additional items on the EGDS entry. The EGDS request was then resubmitted and approved. All items were then received and verified.

TERMS AND CONDITIONS

Commission staff alleges that the acts or omissions of Ainsworth by and through its agents as described herein constitute a breach of IC 4-33, IC 4-35, and/or 68 IAC. Ainsworth maintains that the items shipped were correct and should have been entered into EDGS. Nonetheless, the Commission and Ainsworth hereby agree to a monetary settlement of the alleged violations described herein in lieu of the Commission pursuing formal disciplinary action against Ainsworth.

Ainsworth shall pay to the Commission a total of \$1,500 in consideration for the Commission foregoing disciplinary action based on the facts specifically described in this Agreement. This Agreement extends only to those violations and findings of fact specifically alleged in the findings above. If the Commission subsequently discovers facts that give rise to additional or separate violations, the Commission may pursue disciplinary action for such violations even if the subsequent violations are similar or related to an incident described in the findings above.

Upon execution and approval of this Agreement, Commission staff shall submit this Agreement to the Commission for review and final action. Upon approval of the Agreement by the Commission, Ainsworth agrees to promptly remit payment in the amount of \$1,500 and shall waive all rights to further administrative or judicial review.

This Agreement constitutes the entire agreement between the Parties. No prior or subsequent understandings, agreements, or representations, oral or written, not specified or referenced within this document will be valid provisions of this Agreement. This Agreement may not be modified, supplemented, or amended, in any manner, except by written agreement signed by all Parties.

This Agreement may be executed in multiple counterparts, each of which shall be deemed an original agreement and both of which shall constitute one and the same agreement. The counterparts of this Agreement may be executed and delivered by electronic mail, facsimile, or other electronic signature by either of the parties and the receiving party may rely on the receipt of such document so executed and delivered electronically as if the original had been received.

This Agreement shall be binding upon the Commission and Ainsworth.

IN WITNESS WHEREOF, the Parties have signed this Settlement Agreement on the date and year as set forth below.
