Re: Indiana Balance of State Continuum of Care – Request for Applications for Inclusion in the 2018 Collaborative Application for HUD Continuum of Care Funding

On behalf of the Indiana Balance of State Continuum of Care, IHCD, the collaborative applicant, invites eligible organizations to submit new or renewal applications for CoC funding to be included in the 2018 Collaborative Application to HUD. The only entities that may submit a renewal application are current HUD CoC grantees that have a grant with an end date in calendar year 2019. Additionally, to be eligible for renewal an existing grantee must enter into a contract with HUD for FY 2017 funding prior to December 31, 2018.

Any eligible organization may apply for new project funding. Eligible organizations include: nonprofit organizations, Public Housing Agencies (PHAs), or units of local government. All new and renewal applications must be completed using HUD's online application platform, the E-SNAPS system. **Applications must be submitted in E-SNAPS by the following schedule:**

- **New and Renewal project applications** must be submitted in E-SNAPS no later than **5 pm EDT on July 31, 2018**
- Applications not submitted according to the above schedule may not be considered for funding.
- New this year, applications may be submitted for a new type of bonus project: a **Domestic Violence Bonus Project** in which all persons served are survivors of domestic violence, dating violence or stalking.

For additional information, including all required documentation for internal competition, has been posted on the CoC website here: <https://www.indianabos.org/internal-competition>.
