Re: 2020 Environmental Review and Section 106 Documents for Public Comment

Partners that apply for many of the federal funding sources through IHCD, including but not limited to the HOME Investment Partnership Program, Community Development Block Grant, and the National Housing Trust Fund, are required to complete the Environmental Review Record (ERR) Workbook. Each year IHCD updates the ERR User's Guide, the ERR Workbooks, and their accompanying documents.

IHCD is posting a [draft version](#) of the 2020 Environmental Review and Section 106 User's Guide and its ancillary documents, including a summary of the changes made. IHCD will be accepting public comments until February 3, 2020. Comments must be sent via e-mail to Samantha Spergel via sspergel@ihcd.in.gov.
