**Re: Request for Project Applications for FY 2025 Youth Homelessness
Demonstration Program Funding**

The Indiana Housing and Community Development Authority (“IHCDA”) is releasing a request for project applications to be included in its Consolidated Project Recipient Application for the FY 2025 Youth Homelessness Demonstration Program (“YHDP”) Notice of Funding Opportunity (“NOFO”).

The YHDP program is funded through Congressional appropriations to the U.S. Department of Housing and Urban Development (“HUD”) to support housing and services projects. YHDP funds provide direct housing and services for youth experiencing homelessness. The purpose of YHDP is to implement projects that demonstrate how a comprehensive, community-driven approach can dramatically reduce youth homelessness. Objectives specific to this year’s NOFO include:

- Prevent and end youth homelessness,
- Facilitate self-sufficiency,
- Innovate and expand capacity, and
- Reduce trauma and provide safety

IHCDA is seeking project applications for transitional housing and supportive services to be included in the Indiana Balance of State (“IN BoS CoC”) priority listing. This NOFO awards funds for the implementation of projects that demonstrate how a comprehensive approach to serving homeless youth can significantly reduce youth homelessness.

IHCDA recommends that anyone interested in applying, review the YHDP application materials and access the application link on the IN BoS CoC’s [Youth and Young Adult Homelessness](#) webpage.

Applications for YHDP Projects must be submitted electronically via the Electronic Application forms and received by IHCDA no later than July 20, 2026, at 5:00 PM ET.

IHCDA will host an informational webinar about the YHDP application process on Monday, July 6, 2026, at 11:00 AM ET. Registration is available [here](#), and a recording will be posted afterward on the IN BoS CoC’s [Youth and Young Adult Homelessness](#) webpage.
