Re: **2021 State of Indiana Annual Action Plan Stakeholder Survey**

Notice: RED-21-13

The State of Indiana, as a recipient of funds from the U.S. Department of Housing and Urban Development (HUD), is conducting a survey to collect information on housing and community development needs in the state to inform its 2021 Annual Action Plan. The Indiana Community Housing and Community Development Authority (IHCDA) and the Office of Community and Rural Affairs (OCRA) encourage Partners and Stakeholders to respond this survey.

The results of this survey will inform how the state chooses to allocate housing and community development funds for the 2021 program year, which begins on July 1, 2021 and continues through June 30, 2022.

This survey is designed for people who work in the fields of housing and community development, lending, social services, fair housing, and advocacy. Because this study is focused on the state's smaller cities and rural areas, we are especially interested in hearing from people who work in these communities. We also welcome input on statewide issues that affect Indiana residents, regardless of where they live.

You can access the survey online at: https://www.research.net/r/2021_IN_ActionPlan.

Please invite others in your field to participate in the survey. This survey closes on **March 31, 2021** at close of business.

If you need translation of the survey into a language other than English or a reasonable accommodation to take the survey, please contact hello@rootpolicy.com or 970-880-1415.

IHCDA will release separate RED notices when the Annual Action Plan is expected to be released for public comment, the date and locations of the Public Hearings, and when the IHCDA Allocations Plans regarding the HOME Investment Partnerships Program, and the National Housing Trust Fund are released for comment.

If you have questions about the Annual Action Plan process or this survey, please contact Samantha Spergel, Director of Real Estate Strategic Initiatives and Engagement at sspergel@ihcda.in.gov.
